This Booklet is the lead-in to a set of twelve volumes (15 books). This Booklet was added after all the Volumes had been finalized and contains a set of Critical Issue Analyses of most facets of Belief in the Almighty Creator. The printed version of Volume 1 contains “Most Important” writings and includes a CD with a collection of Recommended Worship Songs and a collection of material, including the website, on a USB Memory Card.

## **Dedication**

This volume is dedicated to Yah the Eternally Self-Existing, the Almighty Creator of the Heavens and the Earth who is the reason for our existence – commonly but incorrectly referred to as “The LORD” and “God”.

## Request for Judgment

The footer to every email I send out when I publish articles today reads:

*May Yah, The Almighty Creator, bless you and keep you and make His face to shine upon you and give you His peace.*

*May Yah judge me severely and correct me harshly and show me the level of my present deception and how to correct it with regard to everything that I write and publish.*

I pray this for you and for me as you read this document. The second prayer is particularly important since it gives Father Yah, the Almighty Creator, blanket permission to correct me any time I am in error. This is your best guarantee that what was written from around 2009 onwards IS accurate. That said you must STILL seek Yah for confirmation and clarification with regard to ALL that I have written as I am constantly learning and therefore what I write may be incomplete or not entirely accurate in terms of the greater scheme of things.

## Vocabulary

Throughout this Booklet I have used vocabulary that you may find unfamiliar. These words have been drawn from the roots of the faith which are most accurately reflected in the language today known as Hebrew which is most directly related to the language that was used at the time of Creation.

This language has rich meaning that is not always accurately translated in English and other modern languages. The meanings and transliterations that I use here are a mixture of what is academically recorded and what I have been shown by Father Yah, the Almighty Creator.

The most commonly occurring words that are used are:

**“Yah”** as in “Yah the Eternally Self-Existing” – the true name of the Almighty Creator. Frequently translated “The LORD”. “The LORD” has blasphemous connotations and should never be used to refer to the Creator.

**“Yahooeh”** – most accurate transliteration of the Hebrew phrase which means “Yah the Eternally Self-Existing” which is more commonly but inaccurately transliterated as “Yahweh”. Frequently wrongly translated “The LORD”. Why a “Yahoo.com” email address takes the Name of the Almighty in vain.

**“Almighty”**, “Mighty One” or “mighty one” depending on context -- commonly but inaccurately translated “God” which has blasphemous connotations.

**“El”** – “Beloved Mighty One” – term of endearment for the Almighty Creator used by those close to Him. Frequently inaccurately translated “God”.

**“Yahooshua”** – meaning “Yah is Salvation” – the correct name of the man commonly referred to as “Jesus” and a common Hebrew name 2,000 years ago. Also translated “Joshua” on occasion.

**“Anointed by the Spirit of Yah”**, **“Anointing of the Spirit of Yah”**, or **“Anointed One”** depending on context – commonly but inaccurately translated as “Christ” and incorrectly regarded as another name for Yahooshua {Jesus}. Source of much confusion regarding the identity of Yahooshua – Christ refers to Yah NOT Yahooshua except when it is used in the

context of “the Anointed one” when it refers to Yahooshua or any Anointed Believer.

**“Qodesh”** – commonly but inaccurately translated as “Holy” which has blasphemous connotations – means “set-apart”, “separated”, “dedicated to the Almighty”.

**“Emissary”** – a senior servant of the Almighty who is sent by the Almighty – commonly but inaccurately translated as “Apostle”. A senior rank on Earth.

**“Spokesman” or “Spokeswoman”** – commonly but inaccurately translated as “Prophet” or “Prophetess” – one who hears the Almighty and speaks on His behalf – applies to any person who has at some material level drawn close to the Almighty and speaks on His behalf.

**Names including Yah** – see the article in section 6 of Volume 1: *“The TRUE Names of the Almighty in the Bible”* for detailed discussion of all of these names. It is not possible to fully understand the history of anointed servants without knowing the extent to which the name of Yah is pervasive in that history.

**“Stake”** – Yahooshua died on a length of tree trunk, NOT a “cross” this is borne out by the Greek text. The cross is a Satanic symbol.

**“Assembly”** – commonly but incorrectly translated as “Church”.

**“Pesach”** – commonly translated as “Passover”.

**“Shavuot”** – commonly translated as Pentecost.

There are other words that are used in places in these Volumes but the above items are the most common words.

Throughout my writings incorrect words are reported in curly brackets in most cases e.g. “{Jesus}”.

## Foreword

On Friday 12<sup>th</sup> March 1993, having been awake all night running strategic processes to try and figure out why my life was such a mess and figuring out the most reliable way to kill myself the Almighty spoke to me audibly from within the locked room and said *"Phone Iain Peters, he has something you need"*.

I had been a believer, albeit a nominal believer, since I was confirmed in the Anglican Church at the age of around 13 years old and had been a server or Altar Boy from the age of nineteen for about six years. Eventually I became alienated from the church by the hypocrisy and teachings that did not make sense and so I walked away and progressively backslid to a point where I entered into adultery.

After the Almighty spoke to me I phoned Iain and he invited me to have dinner with him. After dinner he shared with me his living relationship with the Almighty in which prayers were answered and he experienced healing and divine provision. He lead me in prayer to rededicate myself to serving the Almighty.

Iain took me to his church and pointed me in the direction that I have followed ever since.

At that time I understood that my intellect had set me on a course that was headed for destruction and that if I had succeeded in killing myself at that time I would have found myself in Hell. I repented deeply and set myself to seeking to know the Almighty. I reasoned that He was the Creator of all things and was therefore the Master Engineer and that, accordingly He would not expect me to compromise my Engineering rigour and disciplines in order to understand Him. Accordingly I set about learning about Him in a rigorous and disciplined fashion asking masses of questions.

Progressively over the years I came to understand that the Church and mankind generally were full of error and, increasingly I came to rely on hearing directly from our Father in Heaven.

The road was a difficult one with numerous pitfalls and traps and lots of painful lessons but, somehow, I have managed to stay more or less on track through all of this.

In 2000 I fasted seriously for the first time and started to receive dramatic revelation. This continued with another program of fasts in 2010 and again in 2013 and 2014 leading to a point where I was extremely close to Father just before the Day of Atonement in 2014 which is when the two core articles in Volume 1 were written – *"The Almighty Creator Desires a DEEP Personal Relationship with YOU!"* and *"Seven Components in Drawing Close to the Almighty Creator"*. These articles also form the basis of the Radio Programme to date ([www.W4CY.com](http://www.W4CY.com)) and many of the articles in this Volume.

From 2000 onwards I published regularly on various email lists and in 2013-14 my wife at the time, Ester, helped me to build the present website, <http://www.ETI-Ministries.org>

During this journey I increasingly came to understand that the Creator, His True Name is "Yah the Eternally Self-Existing", had created us to be His Friends and to work with us in discovering and learning about His Creation but that as a consequence of the fall of man virtually no human beings knew this let alone sought it with commitment. This understanding culminated in my decision to write

the two articles above and that, in turn, has led to the creation of the Book Set and this Booklet in the hope that I will challenge a few people to seek to become TRUE FRIENDS of the Almighty.

I commend this Booklet to you as containing an analysis which were written under a significant anointing and with a significant level of inspiration and I pray that the study of this material will stimulate YOU to seek to become a FRIEND of Yah. I encourage you to contact me to obtain copies of all of the Book Set. Conversely, should you already have decided to seek to become a Friend I commend these books to you as a far-reaching resource to aid your understanding and help you in our growth.

*May Father bless you and keep you and make His face to shine upon you.*

*May Yah judge me severely and correct me harshly and show me the level of my present deception and how to correct it with regard to everything that I write and publish.*

Warm regards and blessings,

On Radio at 2 pm Eastern Standard Time every Friday in the United States -- live Radio programme called "*Creator Desires Relationship*" which discusses various topics relating to seeking a deep relationship with the Almighty. **The Critical Elements of Belief  
Relating to Matters of the Almighty Creator**

## Summary

The facts about the Almighty Creator of the Heavens and the Earth whose true Name is “Yah the Eternally Self-Existing” touch on every area of life and are very far reaching and little understood.

There is a huge diversity of knowledge relating to this subject many elements of which are touched on in different places on the website. Also a huge diversity of error – the REAL truths of the Almighty have been progressively corrupted and concealed by the Satanic and Demonic Realm.

This Booklet seeks to summarize all the key points that I can think of in a series of bulleted lists with about seven to nine CRITICAL elements for each subject area. All these points are discussed in more detail on the Website.

It is hoped that this will provide people with limited time with a concise way of getting an overview of all the major elements that I consider important. From this you can browse the website or download the entire book set of 15 books, around 7,500 pages, from <https://www.eti-ministries.org/compilation-of-most-writings>

It is my hope that by reading this page your view of the Almighty Creator and His Way of Doing Things, as well as your view of the situation on Earth today will be RADICALLY challenged and changed such that you energetically commit yourself to seeking Him and seeking DEEP Relationship with Him.

Fundamentally human beings exist to be the Friends of the Almighty Creator, anything you have read, heard or believed that is contrary to this statement is misdirected, misinformed and just plan WRONG!

Yah wants YOU to seek to become His Friend, starting right now and I pray that these short articles will provide you with a concise mechanism for evaluating the headlines in support of a quality decision to serve the Almighty Creator.

---

## Section 1: Where are YOU Going?

### 1.1. The Almighty Creator, Yah the Eternally Self-Existing, says: *"It is time to choose -- will you be my Friend, or my foe? -- there is NO middle ground!"*

Yah says further:

*"Ultimately THE AIM of this entire experiment is to find those who will make the sacrifices necessary to become My FRIENDS -- NOTHING is more important"*

...

*"A friend is one who is concerned about the well-being of the one they call friend and desires to treat that person as they would be treated -- HOW do you choose to treat Me?"*

...

*"True friendship is about what you can GIVE -- NOT what you can GET! -- what are YOU prepared to give Me (Yah)?"*

...

*"A true friend seeks to know ALL truth about the one whom they call friend AND to help others to know that truth -- Do YOU know the truth about me? Do YOU care?"*

...

*"In this age I (Yah) am MASSIVELY CONSTRAINED by the 'Rules of Engagement' in terms of what I can say and do EXCEPT through those true friends and true servants who will do the necessary work to KNOW my will AND proclaim it AND action it"*

...

*"There is NO greater love than that a man should lay down his life for his friend! -- Will YOU lay down your life for Me?"*

...

*"Technically a martyr is one who lays down their life for Me, NOT necessarily in physical death but also by sacrificing their comfort and well being in favour of doing MY will -- will you do ALL that it takes to serve Me and love Me as your friend, NO MATTER what it costs you? -- Will you be a martyr for Me by your way of living?"*

...

*"My true friends take time to spend quality time with Me daily and communicate with Me and consult Me constantly"*

...

*"Why Believe?"*

*"Because if you do NOT you WILL find that when you die you are forced to serve and worship Satan for ever or at least until the day the winner of the 'The Contest' is adjudicated"*

...

*"Realize that serving Satan after you die could be a really HORRIBLE experience, particularly IF you regard yourself as a GOOD person!"*

...

*"Imagine what it will be like as an ancestor spirit (demon) knowing the truth about the lies you believed and watching your loved ones making the same mistakes and believing the same lies that you believed and being unable to do anything about it!"*

...

*"Imagine what it will be like when you discover that you are irrevocably locked into the same dispensation that is behind the most barbaric and savage cultures on earth"*

...

*"IF you are a 'GOOD' person: when you die you may find yourself secretly hoping that Satan WILL lose 'The Contest' so that you can be cast into the Lake of Fire and utterly consumed in a moment of torment and terror, rather than being a participant in the progressive degradation of the human race into utter depravity, barbarism and perversion! -- and yet you will be POWERLESS to do anything about it!"*

...

*"The consequences of dying without a PROFOUND realization of my (Yah's) existence AND a DEEP life changing decision to serve Me is too ghastly to contemplate IF you take the trouble to REALLY understand the truth about the world you live in!"*

...

*"Imagine what it will be like to be a demon (ancestor spirit) riding on your favourite grandchild and watching them participate in the same empty rituals and mouthing the same meaningless platitudes that you practised during your life and being UNABLE to warn them of the terrible destiny that they are locking themselves into!"*

## **1.2. Why YOU Should Believe in the Almighty Creator**

If you do not believe that the Almighty Creator exists I would like to present you with the following Critical Factors to consider as to WHY you should believe:

### **1. Created to be Companions and Friends**

This entire Universe was created so that the Almighty Creator might have companions, confidante's, Friends – people who believed in Him and did things with Him. If you are NOT such a person you are missing your life goal.

### **2. Engineered Creative Complexity**

The visible Engineering complexity of us as Human Beings, everything we can see, touch and feel tells us there had to be a highly intelligent, highly creative Engineering Being to create all this -- it cannot just have happened. Examination of anything around you will confirm this.

### **3. Sexual Reproduction Requires a Creator**

We are sexual beings. Sexual reproduction in all higher forms of plant and animal life requires the male and female to be perfectly formed before they can reproduce and not die out -- proves a highly skilled Creator.

### **4. Huge Rewards for Loyal Service**

There are HUGE rewards in the afterlife in terms of esteem and authority for those who truly serve the Creator in this life. YOU have the opportunity to be part of this. Are you aware of this? Are you going for it?

### **5. Satan the god of THIS World is a Harsh Task Master**

Satan, the Adversary, the God of THIS World is engaged in a Contest with the Almighty to turn ALL Human Beings against the Almighty Creator. Satan is responsible for the mess this world is in today and for all the evil, the wars, the disease, etc. Why serve him? That is the inevitable consequence of NOT believing in the Almighty Creator. As an unbeliever you will serve Satan more fully after you die and will find existence very harsh and very unpleasant.

### **6. Are you striving to be your best for nothing?**

You are no doubt striving to do your best in this life without knowing the outcome. If you realized that the outcome COULD be extremely beneficial and pleasant IF you truly serve the Creator I suggest you would view things differently. Today is your opportunity to start going for that goal.

### **7. Death as an Ancestor Spirit**

The HARSH reality is that WHEN you die as an unbeliever you will NOT enter Heaven. You will be told you have been lied to and will continue existence as a Demon or Ancestor Spirit with NO ability to move around under your own motive power. You will potentially be stranded underground where your corpse rots in your grave for the rest of the millennium. Surely that is NOT your goal for your life?

I strongly recommend that you choose to believe in the Almighty Creator, whose true name is "Yah the Eternally Self-Existing" by praying as follows "*Father Yah, Almighty Creator of the Heavens and the Earth and all that is in it, I now realize that you MUST exist and I choose to believe that you exist. I ask you to come to live in me now, fill me with your Spirit and guide me in drawing close to you. I am told I can serve you. I want to serve you but I do NOT know how to do that. Help me to find people and material who can help me.*"

If you have prayed this prayer please visit the rest of the website and read the contents of the menu item "**Seven Components of Drawing Close**" near the bottom of the menu or contact me on [New.Belief@ETI-Ministries.org](mailto:New.Belief@ETI-Ministries.org)

## **1.3. Critical Actions on First Belief**

The following critical actions should be taken by any person who first comes to belief, this will lay a foundation for a powerful life in relationship with the Almighty Creator. Refer to the "Article Seven

Components in Growing Close to Yah” – page references below are to this article which is available on the main Website. These same procedures can be applied at any time, however they are particularly effective when applied immediately after a person comes to Belief.

### **1. Seven Days of Grace**

There are seven days of Grace from the moment of First Belief during which there is EXTREME Grace for forgiveness, healing, deliverance and learning. Wherever possible a new Believer should be supported to apply all the processes and components below during this period. This opportunity will never be given to that person.

### **2. Immediately Seek Anointing**

Immediately pray for infilling with the Spirit of Yah and pray daily thereafter for infilling – this is the Anointing of the Spirit of Yah.

### **3. Seven Day Water-Only Fast**

Immediately embark on a Seven Day Water-Only Fast – page 25 to 27.

### **4. Worship Daily**

Worship daily using the songs starting on page 43.

### **5. Shave the Entire Body Except the Head and Eyebrows**

Shave the entire body except the head and eyebrows on the 1st, 7th and 8th day after coming to belief. Pay particular attention to symbolically shaving Tattoos and Piercings – page 31.

### **6. Full Body Anointing with the Blood of the Covenant**

Full Body Anointing with the Blood of the Covenant (Red Wine or Red Grape Juiced prayed over to symbolically represent the Blood of the Covenant) on the 1st, 7th and 8th day after coming to belief.

### **7. Full Body Anointing with the Oil of the Spirit**

Full Body Anointing with the Oil of the Spirit (Olive Oil prayed over to symbolically represent the Anointing of the Spirit of the Creator) on the 1st, 7th and 8th day after coming to belief.

### **8. Full Body Triple Immersion**

Full Body Triple Immersion on the 1st, 7th and 8th days after coming to belief, see page 32.

### **9. Spiritual Audit**

Undertake a comprehensive Spiritual Audit and pray appropriate prayers – page 41.

### **10. Reading Anointed Books and Praying**

Spend the rest of the week reading Anointed books and praying appropriatedly – see list of Recommended Reading.

## **11. Receive Ministry and Counsel**

Receive Ministry and Counsel from Anointed Believers IF they are available and do whatever else you find to do.

## **1.4. Why YOU Should Seek to Become a Friend of the Almighty Creator**

Did you know that it is possible to become a FRIEND of the Almighty Creator? Did you know that THIS is your purpose on Earth? Here are a few points to help you assess how you want to live the rest of your life:

### **1. Entire Creation is to Create Friends**

This entire Creation exists so that the Almighty Creator can have companions, confidantes, Friends to talk to, to learn with and to do things together. If you do NOT realize this then you are missing out on the only REAL goal for your life!

### **2. Heaven is a Place of Great Splendour**

Heaven is a place of great splendour and those who qualify as Friends receive great esteem, splendour and authority. Do YOU understand the Ranks in Heaven and have a life goal to achieve this?

### **3. “Friend” is the Highest Rank in Heaven**

“Friend” is the highest rank in Heaven. Did you know that? Do YOU aspire to that highest rank? Or are you just wandering through life with NO clear purpose?

### **4. “Overcomers” Still Get to Sit on Thrones**

The next rank in Heaven is “Overcomer” – one who has overcome sin and the Trials and Tribulations of this life in order to sit on a High Throne below the Friends. Do you AT LEAST aspire to that?

### **5. “Good and Faithful Servants” at Least Receive Reasonable Esteem and Authority**

If you do not qualify to be an Overcomer, you will NOT qualify for a Throne but at least perhaps you could become a “Good and Faithful Servant”. One who has served the Almighty significantly. You will have to stand but at least you will be esteemed and have some authority.

### **6. There are Lower Ranks if your Aspirations are Lower**

If you are NOT in line to be a Good and Faithful Servant perhaps you qualify as a “Wise Steward”? or an “Adulterous Wife”? Or perhaps only a “Foolish Virgin”. At least you will still be in the Body of Heaven, albeit it fairly far out.

### **7. There is a TRASH HEAP in Heaven, are YOU Headed There?**

Heaven ALSO has a Trash Heap, a dark, cold, lonely place where those who at some level believed but then chose to ignore the Creator will be ignored by Him for Eternity. There will be weeping and wailing and gnashing of teeth! Is THAT where you are headed?

Where do YOU stand?

I suspect NOT very far up that ranking because, in this age, very FEW people are anywhere significant on that ranking.

YOU have a choice today – go ALL OUT to serve the Almighty Creator whose TRUE NAME is “Yah the Eternally Self-Existing” or continue to potter along in mediocrity only to be BITTERLY DISAPPOINTED when you die!

I strongly recommend that you choose to go ALL OUT to Serve Father Yah, starting today. Pray “*Father, I have just realized that my relationship with you is NOT where I would like it to be and is characterized by luke-warmness and mediocrity in the things that really matter. I choose this day to serve you wholeheartedly and I ask you to forgive me and help me to do what I need to do in order to become your Friend (or to Overcome, or to become a Good and Faithful Servant, or a Wise Steward, etc depending on your aspirations)*”. There is much more you should pray – see below.

If you have prayed this prayer please visit the Website and read the contents of the menu item “**Seven Components of Drawing Close**” near the bottom of the menu and also in Volume 1 of the Book Set or contact me on [Newly.Committed.Believer@ETI-Ministries.org](mailto:Newly.Committed.Believer@ETI-Ministries.org)

## **1.5. Critical Elements of Cleansing**

Refer to the article “*Seven Components in Growing Close to Yah*” on the Website for detailed information.

### **1. Do at Any Time**

These processes can be followed at ANY time and can be done more than once as appropriate.

### **2. Rehearse the Covenant Regularly**

Rehearse the Covenant {“~~Communion~~”} regularly and apply the Blood of the Covenant (the Red Grape Juice or Red Wine) to your forehead, back of neck, right thumb and right big toe.

### **3. Full Cleansing Process**

Same process as for a New Believer – fast (7 days or 7 x 3 days water-only), shave the body, full body anoint with the Blood (the Red Grape Juice or Red Wine prayed over to represent the Blood of the Covenant), full body anoint with the Oil of the Spirit (Olive Oil prayed over to represent the Anointing Oil of the Spirit of Yah) and Triple full body immersion. Refer the abovementioned article for the details.

### **4. Sanctify your Dwelling**

Clean out your dwelling of any and all defiled artefacts, artefacts with Satanic or Demonic connotations. Where appropriate destroy with fire.

### **5. Spiritual Audit**

Detailed Spiritual Audit – cycle through your life repeatedly year by year noting down all that comes to remembrance -- record ALL sin that comes to remembrance, wrongs you did to others, wrongs

others did to you, etc. Contact people as necessary, make restitution, make right. Heartfelt confession and repentance -- turning around.

## 6. Cleanse Yourself

Cleansing of Self. Bind all Satanic and Demonic Entities in the name of Yahooshua {Jesus} that are “in, on or around” you that do NOT have a legal right to be there. Ask Father in the name of Yahooshua to send His Mighty Warring Messengers {Angels} to bind, cast out and send where He wants to go all the Satanic and Demonic Entities named. Ask Father what is giving legal rights to Demons and for inspiration to know the legal right and how to cut it off.

## 7. Constant Worship, Prayer, etc

Constantly worship, pray, study in order to learn more and clean up as led whenever it seems appropriate. There is a huge amount on the Website.

## 8. Ongoing Process

This is an ongoing, iterative process that should be repeated at intervals over several years.

This cleansing process is VITAL if one is to really draw close to the Almighty Creator and come to hear Him clearly

## 1.6. Critical Considerations with Regard to the Demographics of the Kingdom of Yah on Earth Today

The image on the covers of the Book Set and presented below represents the continuum between deep / ALL evil which is Satan on the bottom left to ALL good and ALL truth which is Yah the Eternally Self-Existing, the Almighty Creator, which is at the top on the extreme right.

The jagged steep mountain symbolizes how difficult it is to draw close to Father Yah in the present age and how easy it is to fall from any level through pride, self-righteousness and other sin and error.

This collection of writings and, indeed, all of my writings are about how to move from some position on this curve to the position on the top right which is occupied by people close to Father Yah. The designation “Friend” is the highest status that any human being can aspire to in this life and is what we were ALL created to achieve.

The components of the curve are as follows (statistics are as at 25 December 2015) for ALL religious groups worldwide:

**1. Believers at Some Level** – about 22.7 million made up of:

**a. Friends (1)** – high throne – put Father Yah first in their lives and serve Him faithfully. This is tragic, we should ALL be here.

**b. Overcomers (20)** – throne – have overcome sin and the temptations of this world at some material level.

**c. Good and Faithful Servants (~5,000)** – significant measure of faithful service.

**d. Wise Stewards (~200,000)** – some measure of faithful service.

**e. Adulterous Wives (~500,000)** – some level of infilling of the Spirit of the Almighty but continue in deep error and unbelief includes many who worship Yahooshua {Jesus}.

**f. Foolish Virgins (~2 million)** – believe but no infilling of the Spirit of the Almighty.

**g. Outer Darkness (the majority -- ~20 million)** – at some level once believed sufficiently to qualify for Heaven but nothing beyond that. They ignore Father Yah in this life and, accordingly, He will ignore them in Heaven for Eternity. The product of useless “Evangelization” without sustained follow-up.

**2. Believing Unbelievers -- about 100 million** – think they believe but so full of error they do not actually believe in the Almighty. Many who believe Jesus is God are here.

**3. Outright Unbelievers -- about 6.8 billion plus**, the bulk of the population of the Earth – no awareness of any significance of the existence of the Almighty.

**4. Outright Servants of Satan -- about 22.7 million** – at some level consciously serving Satan in roughly analogous groupings and counts to those serving the Creator.

It is my hope that by reading this webpage and by visiting the rest of the website you will be challenged to seek to move your life to the top right of the curve and become Father’s Friend and qualify for a High Throne in Heaven for Eternity.

This webpage is accompanied by the entire Website and by twelve collections of my writings in pdf format and also soon to be in Bound Books – these documents are available electronically off the Website or you can email me – I hope to make them available on Amazon as well. See <https://www.eti-ministries.org/compilation-of-most-writings>

For more information refer to the articles “*The Demographics of the Kingdom of Yah on Earth Today*” and “*Demographics of the Kingdom of Yah elaboration*” in Volume 1. Also on the Website.

## Section 2: Core Teachings {~~Doctrine~~}

### 2.1. Critical Elements of What I Believe

#### 1. Created to Worship and be Friends

We were created to worship and be Friends with the Almighty Creator whose true Name is “Yah the Eternally Self-Existing” and it is gross sin to worship any other being (e.g. Yahooshua {~~Jesus~~}) or object (e.g. the Bible).

#### 2. Cycles of Falling Away

There have been a number of cycles of mankind falling away from the Almighty which have each been turned around by a significant “Turnaround Prophet”, most notably Noah, Abraham Moshe {~~Moses~~}, David, Yahooshua {~~Jesus~~}, Mohammed and Martin Luther.

#### 3. Satan Rebelled and Tricked Adam to Give Control

At the time that mankind was Created, Hillel, a Messenger {~~Angel~~}, the Light Bearer, rebelled and challenged the Almighty to a “Contest” to prove that humans would NOT serve the Almighty at the end of 7,000 years. Satan, the Adversary / Accuser as he is now known successfully tricked Adam and has ruled on Earth ever since. Hence the mess the world is in.

#### 4. 3003 Must Be At Least ONE Human Being Free of Sin

It is a requirement of the Contest that at the end of the 7,000 years of man on Earth there must be at least ONE human being free of sin and serving Yah or else Yahooshua will NOT return and Satan will rule on Earth for Eternity will all those who follow him.

#### 5. Satan in the Pit for 1,000 Years

Satan was sentenced to 1,000 years in the Pit (Abyss) on 3 May 2003 and the Earth is currently ruled by 7 Demonic Masterminds assisted by the Spirits of over 100 Billion deceased unbelievers (Ancestor Spirits / Demons) and billions of Messengers.

#### 6. Yahooshua {~~Jesus~~} Lived and Died Without Sin and Has Authority

Yahooshua the Anointed of Yah {aka ~~Jesus~~} lived a life without sin and died a terrible death in order that every individual believer would have a simple and sure way to receive forgiveness from sin and have authority over the Satanic and Demonic Realm.

#### 7. Global Hydraulic and Tectonic Event Approximately 4,500 Years Ago Reshaped the Earth

Approximately 4,500 years ago the Earth was judged at the request of Noah and struck by an Ice Comet that struck the Earth, knocked it off its axis and orbit and flooded the Earth drowning all but eight

people comprising a man called Noah, his wife, three sons and their wives who survived in a ship Noah built.

### **8. Son's of Noah Gave Rise to Three People Groups**

The son's of Noah gave birth to three people groups, the Shemite Group (Europe, the Middle East, Russian, Asian Indian, etc), the Japhethite's (Far East Asia) and the Hamites (Africa). The Shemites have, on balance been most loyal in at some level serving Yah, the Japhethite's primarily worship Idols and living Human beings and the Hammites primarily worship Ancestor Spirits – Demons.

### **9. Three Monotheistic Religions Stem from Shem**

The three major monotheistic religions – Judaism, Christianity and Islam all attempt to worship Yah with limited success. Today all are corrupt and deficient and are leading people astray. Yah would have true believers remove themselves from organized religion.

The full ambit of what I believe is presented in great detail on the Website and in the collection of books available on the site see <https://www.eti-ministries.org/compilation-of-most-writings>

## **2.2. Critical Considerations with Regard to Core Belief {Doctrine}**

### **1. Yah is One – Worship NO Other**

Yah the Eternally Self-Existing {The LORD} is ONE. You shall have NO other Mighty One's besides Him and Him ALONE shall you serve and worship. Do NOT worship Yahooshua {Jesus} or make Yahooshua equal with Yah.

### **2. Yah Created Humans to be His Friends**

Yah created human kind to be His Friends, companions and confidantes and He desires this today. If you achieve anything less in this life you will have fallen short of your calling.

### **3. Yahooshua Lived Without Sinning**

Yahooshua the Anointed of Yah {Jesus Christ} lived without sinning once and died a terrible death to usher in a NEW Covenant and forgiveness for sin. Because of the absence of sin he was instantly resurrected and is seated at the Right Hand of the Father WAITING for his enemies to be made his footstool. He is 100% human.

### **4. Satan Has Ruled on Earth Through Human Beings Since Adam Sinned**

Satan rebelled and was banished to Earth with his followers at the time of the Creation of mankind. Satan has ruled on Earth through human beings from the time that Adam submitted to him. Satan is currently in the Pit for 1,000 years and the Earth is ruled by a Junta of Seven Demonic Masterminds. If Satan wins the contest by bringing every human being into submission Satan will Rule on Earth for Eternity and Yahooshua will NOT return.

## **5. It is up to the Servants of Yah to Defeat Satan**

It is up to the Servants of Yah to defeat the Forces of Darkness (Satanic and Demonic Realm) and prepare a way for Yahooshua to return by living above sin and systematically banishing the servants of Satan. There are specific prayers that can be prayed in order to do this.

## **6. The Set-Apart Spirit of the Almighty is Given to Believers for Victory**

The Set-Apart Spirit of the Almighty is given to indwell believers by invitation and lead them into all truth and victory over Satan. This is subject to each believer praying appropriate prayers, undertaking appropriate fasts and submitting fully to Yah so that He can Live and Rule through Anointed Believers.

## **7. Yah Intended Marriage to be Heaven on Earth**

Yah intended marriage to be Heaven on Earth and gave marriage to understand how He desires us to live in relationship with one another and with Him – see

<https://www.eti-ministries.org/heaven-on-earth-in-marriage>

## **2.3. Critical Considerations with Regard to The Contest, the Rules of Engagement and Turning Around**

### **1. Hillel Rebelled before the Creation of Adam**

At the time that Yah was about to Create Adam, Hillel the Light Bearer, one of the three most senior Messengers {Angels} in Heaven, rebelled and when he was about to be cast into the Lake of Fire and Brimstone to be utterly destroyed, he challenged Yah to a Contest.

### **2. The Contest -- 7,000 Years to Deny the Creator**

The objective of the Contest was that, IF after 7,000 years of man on Earth there was at least one human being free of sin and in right standing with Yah to call for Yahooshua to return, Satan, now the Adversary and Accuser, would be cast into the Lake of Fire with all of his followers. If NOT Satan would rule on Earth for Eternity.

### **3. Time of Yahooshua – Yah Still Confident**

In the time of Yahooshua Yah was still confident He would win The Contest but today there is only one human being in right standing and victory is very uncertain. Will YOU choose to become another such person?

### **4. New Turning Around Has Started**

At this stage a Turning Around started on 3 May 2003 and the question is whether this can be sustained and expanded for the next nearly 1,000 years.

### **5. End of the Millennium Only One Human in Right Standing**

On 3 May 2003, the end of the Sixth Millennium, there was only one human being in right standing, that is free of sin, and that person brought the charges against Satan in the Court of Heaven and had

Satan sentenced to The Pit (Abyss) for 1,000 years. Seven Demonic Masterminds now rule on Earth in Satan's place.

## **6. Rules of Engagement Forbid Direct Action**

The Rules of Engagement of The Contest forbid either side from acting directly. They are required to act through live human beings. Humans rule on Earth and have total control but are dominated by the Satanic and Demonic Realm. THIS is the REAL Conspiracy on Earth.

## **7. No Direct Communication of Unknown Information**

Neither Yah and His Associates NOR Satan and his associates can communicate new information to human beings without first being give authority by the human concerned. It has turned out that human beings are very susceptible to believing the lies of the Satanic Realm. Human beings ARE permitted to disclose (preach / teach) new information on an unsolicited basis. Will you choose to become one who shares the truth?

## **2.4. Critical Considerations with Regard to Yahooshua {Jesus}**

### **1. His name is Yahooshua**

His name is "Yahooshua" meaning "Yah is Salvation" and NOT "Jesus". Yahooshua is also translated "Joshua" and was a common Hebrew name in that age. It is sin to call him "Jesus". The Grace for the use of "Jesus" was completely withdrawn in May 2003.

### **2. King of Human Kings**

Yahooshua IS King of ALL Human Kings and Lord of ALL Human Lords and is the most powerful created being in the Universe because he died a terrible death without sinning once.

### **3. Waiting for His Enemies to be Made His Footstool**

Yahooshua is seated at the Right Hand of the Father WAITING for his enemies to be made his footstool. Believers alive today have to do this.

### **4. 100% Human**

Yahooshua was and is 100% human, the result of a creative miracle that was less dramatic than the miracle of the creation of Adam from nothing and the miracle of the creation of Chavah {Eve} from Adam's Rib.

### **5. Gross Sin to Make Him Equal to Yah**

It is gross sin to make Yahooshua equal to the Almighty or to worship him in any way or make him "God" or similar.

### **6. Authority Over the Satanic and Demonic Realm**

Yahooshua was given authority over the Satanic and Demonic Realm but he delegated that authority to those human beings alive on Earth who serve Yah and it is up to us to exercise that authority by

praying in his name with regard to certain specific issues. All other prayer should be made directly to the Almighty.

### 7. An “Old Testament” Prophet

Yahooshua lived on Earth as an “Old Testament” Prophet through relationship with the Almighty Creator and such a relationship is available to every one of us today. It is mandatory for a true believer.

### 8. NOT “The Way”

Yahooshua is NOT in some miraculous way “The way” to the Father. His life is the example, the WAY to the Father – how he did things. We can do greater works than Yahooshua.

### 9. Numerous False Beliefs

There are numerous false beliefs about Yahooshua that totally corrupt what people believe about him and deny the real benefits of what he accomplished.

### 10. Forgiveness Through Yahooshua’ s Covenant

We receive forgiveness from sin by rehearsing the Covenant cut by Yahooshua with Bread and Wine on a regular basis.

Yahooshua IS worthy of GREAT Esteem and is extremely powerful but he is NOT Yah and should be accorded the status of a great servant and Friend of Yah, nothing more.

## 2.5. The Ten Commandments – Fundamental Guiding Principles for Life on Earth

The correct interpretation and application of each of the so-called "Ten Commandments" is discussed in the pages relating to the Commandments.

The MOST IMPORTANT COMMANDMENT is "**love Yah the Eternally Self-Existing {God, The LORD}, your Mighty One {God}, with ALL your heart, with ALL your soul, with ALL your mind and with ALL your strength**"

NOTHING is more important than this – if you do NOT believe in Yah you are NOT on the playing field and if your belief in Yah is superficial you are of NO consequence in the Kingdom of Yah and will be ignored for Eternity.

Sadly, almost no one on Earth really understands this Commandment let alone actively seeks to comply with it, there is much on the website to help you IF you choose to go this route -- see particularly the pages on [Relationship with Yah](#) and [THE Goal](#) see also the prayers on the [Prayers](#) page.

Beyond this, false teachings have resulted in a situation where all Ten of the so-called "Ten Commandments", the Ten Laws (Ten Words in Hebrew) confirmed and reiterated by the Creator on the Mountain in the Sinai Desert in Saudi Arabia to Moshe {Moses} and the children of Yisrael {Israel} are made of no effect

### **1. Yah is One**

Yah the Eternally Self-Existing is ONE Mighty One you shall have NO other mighty ones beside Him -- broken through the worship of the Bible, Jesus, Mohammed, etc.

### **2. No Idols**

No idols -- broken again with the Bible, the Pastor, the Imam, the Rabbi, the Church, the Mosque, the Synagogue, the Cross, the car, the house, the wife, the husband, the mistress, etc -- anything or anyone that comes between you and service to the Creator. Belief that the Bible the Word of God is the BIGGEST source of people breaking this Commandment.

### **3. Name of Yah NOT in Vain**

Do NOT take the Name of Yah the Eternally Self-Existing in vain -- broken because almost no one knows His Name, many say "Ja" or "Jah" for yes, have "Yahoo" email addresses, use false names, etc. The Transliterations "Yahweh" and "Yahooeh" are valid although less accurate than "Yah the Eternally Self-Existing".

### **4. Keep Sabbaths**

Keep Sabbaths -- relates to the seventh day of the week which is Saturday and the high Sabbaths of the Almighty being Passover (Pesach), Pentecost (Shavuot), the Day of Trumpets, the Day of Atonement (Yom Kippur) and the Feast of Tabernacles (Sukkot). The Christian world largely observes the Sabbath as Sunday, the day of the Sun, an abomination in the sight of the Almighty, and totally ignores the high Sabbaths preferring instead to observe the Sabbaths of Satan, Christmas, Halloween, Easter, etc -- see "Satanic Feasts" at <https://www.eti-ministries.org/prayer> for more information.

### **5. Honor Parents**

Honor parents -- few people today show their parents the honor and respect due them, in particular most parents are abandoned and left to live alone in their old age with occasional visits by their children when they should be nurtured in the body of their families.

### **6. NO Murder**

NO murder -- the Christian world largely accepts abortion which is outright murder as well as contraceptive methods that cause the fertilized egg NOT to implant, also a form of abortion and murder. In addition the death penalty for murder has largely been abolished despite it being a clear instruction of the Almighty that murderers should be put to death -- supporting this abomination is also sin. All of these wrong practices break this Commandment.

### **7. NO Adultery**

NO adultery -- Adultery is a sexual tie between a man and a forbidden woman, that is a woman who already has a one-flesh tie with another living man. Lies about Church marriage (meaningless), loss of understanding of the Virgin's Covenant, etc means that almost all people today are breaking this Commandment. Sex between men is adultery and cuts across blood lines and is therefore forbidden.

### **8. NO Stealing**

NO stealing -- much of the conduct of the world involves some level of deceit and misrepresentation in commerce -- this is stealing -- in particular the church lies wholesale about the Almighty, the Bible, the future of people AND takes tithes and offerings that yoke the people who give into the error and dishonesty of those they give to. Frequently churches elicit donations with messages about Tithes and giving to "the House of God" that are totally off the mark and that their gross sin and error disqualifies them from -- this too is stealing.

### **9. No False Witness and NO Lying**

NO false witness or lying -- the church lies constantly about the Almighty and His ways, they dress the ways of Satan and his Masterminds up to look attractive and sell them as the ways of the Almighty in unknowing ignorance because they fail to SEEK TRUTH.

### **10. NO Lusting or Coveting**

NO lusting or coveting -- most advertising works on the basis of stimulating covetousness, pornography and much advertising stimulates lust, etc.

IF you choose to draw close to the Almighty you will need to deal with your sin in ALL the above areas.

## **2.6. Critical Considerations with Regard to The Bible**

### **1. Bible from Greek Biblios**

The Bible (from Biblios, Greek for Book) IS a valuable record of how various human beings anointed with the Spirit of the Almighty have conducted themselves on Earth. We CAN learn from those examples in the correct context.

### **2. Few Passages of Inspired Wisdom and Principles**

The Bible contains various passages of inspired wisdom and principles but these are limited to a very small proportion of the book.

### **3. Compilation of Fragments**

The Bible in all modern forms is a compilation of text fragments from diverse sources that survived the Babylonian exile in the case of the Old Testament and survived Roman and Jewish persecution in the case of the New Testament.

### **4. Does NOT Claim to be "The Word of Yah"**

Nowhere does the Bible claim to be inspired, "The Word of God" or anything similar to this.

### **5. Huge Amounts of Other Writing of EQUAL or GREATER Importance**

There have been huge amounts written by Anointed believers throughout the ages that are more inspired and more anointed than most of the Bible and by putting the Bible on a pedestal these writings have been grievously discounted.

## **6. Yah is in the Bible Because People Insist on Finding Him there**

People find Yah in the Bible because they go to the Bible having been told they will find Him there and so they exercise Emunah {Faith}, (Trust and Belief)) and force Yah to show up against His will. You will find Yah in ANY book that you fervently expect to find Him in! Do NOT do it"

## **7. Bible is the GREATEST IDOL**

Yah says that the Bible is "The Greatest Idol on Earth today", that it is a "little book" and that He "hates" it because of the many people who worship it with "Bible Studies", "Bible Schools", "Bible Churches, etcetera instead of developing deep personal relationships with Him.

## **8. Stuck in a 2,000 Year Time Warp**

Excessive unwarranted esteem for the Bible causes people to get stuck in a 2,000 year old time warp that prevents them from achieving a deep relationship with the Almighty and from understanding the present age.

## **9. Huge Number of Unbelievers and Nominal Believers**

The Bible is responsible for huge numbers of people being unbelievers or nominal believers at a level where they never get beyond the basics.

The Bible is worth reading once or twice but beyond that move on. There is a huge amount in my books and on my website that is inspired at various levels. Note also that the Quran and the Torah should likewise be read once or twice at most and then the multiplicity of other sources should be read.

## **Section 3: History**

### **3.1. Critical Considerations with Regard to the History of Mankind on Earth Today**

#### **1. Yah Created ALL of this to Give Himself Friends**

Yah created the Universe, the Solar System, the Earth, Plants, Animals and Human Beings in an evolutionary (exploratory and experiment) process that culminated in the Creation of Human Beings just over 6,000 years ago.

#### **2. Hillel Rebelled Before Adam Was Created**

Shortly before Yah created Adam, Hillel, one of the three most senior Messengers {Angels} rebelled and was cast down to Earth with billions of his followers.

#### **3. Hillel First Challenged Yah to a Contest**

Before being cast out Hillel challenged Yah to a Contest to prove that in 7,000 years he would seduce mankind such that after the 7,000 years there would NOT be a single believer in right standing on Earth and that in that case, Hillel, now Satan (the Adversary / Accuser), will rule on Earth for Eternity.

#### **4. Satan Beguiled Lilith and then Chavah {Eve}**

Following the creation of Adam and Lilith Satan beguiled Lilith into following him. Yah then created Chavah {Eve} miraculously from Adams Rib. Chavah was then beguiled to eat the fruit from the Tree of the Knowledge of Good and Evil and she beguiled Adam to eat too. They thus became subject to Satan.

#### **5. Humankind Then Degenerated**

Humankind then proceeded to degenerate spiritually until after roughly 1,500 years only one man, Noah and his son Shem, and their wives were wholeheartedly serving Yah.

#### **6. Noah Prayed for Judgment Bringing an Ice Comet**

Noah was grieved by the evil in mankind and prayed for Judgment. Yah destroyed the Earth by bringing an Ice Comet to collide with Earth and totally flooding it and destroying the surface. Noah, his three sons and their wives survived in a specially constructed wooden ship. Noah was the first turnaround Spokesman of Yah {Prophet}.

## **7. The Three Sons of Noah Gave Rise to the Three Main People Groups**

The three sons of Noah gave rise to three people groups:

- a. The Shemites – Europe, Middle East and Russia;
- b. The Japhetite's – far East Asians;
- c. and the Hammites – the Africans

These each had very different spiritual pedigrees:

- a. The Shemites have generally been more faithful to Yah and the three mainstream Monotheistic religions Judaism, Christianity and Islam flow from them;
- b. The Japhethites have generally worshipped idols and men (the Emperor);
- c. The Hammites have generally worshipped the Ancestors in the form of Ancestor Spirits (Demons) – this has resulted in massive degradation of society and people.

The Earth is still divided this way today.

## **8. Following Noah Mankind AGAIN Fell Away**

Following on from Noah the people again fell away, there was a major Turning Around initiated by Abraham and reinforced by Moshe {~~Moses~~} and David (Dawid).

## **9. Yahooshua Was Conceived Miraculously and Lived and Died Without Sin**

Yahooshua the Anointed of Yah {~~Jesus Christ~~} was born through miraculous conception by a virgin just over 2,000 years ago and lived a life without sin. He died a terrible death without sinning and was instantly resurrected ushering in a further major Turning Around that gave rise to Christianity.

## **10. Mohammed Ushered in Another Turning Around**

Mohammed lived about 600 years after Yahooshua and ushered in a further Turning Around that gave rise to Islam.

## **11. Martin Luther Gave Rise to Another Turning Around**

Martin Luther died in 1546 AD and gave rise to another Turning Around that gave rise to Protestant Christianity and which has led to the advancement and prosperity of the present generation.

## **12. A New Turning Around Commenced on 3 May 2003**

A new Turning Around commenced on 3 May 2003 when Satan was sentenced to 1,000 years in the Pit (Abyss) and Command and Control on Earth passed to the Junta of Seven Demonic Masterminds who now rule on behalf of Satan. It is hoped that this Turning Around will endure for the balance of the present millennium and pave the way for the return of Yahooshua and Yah's victory in the Contest.

## **3.2. Critical Considerations with Regard to Creation**

### **1. Engineering Precision of ALL Around Us**

The precision Engineering of every facet of the Universe, the plants and animals and human beings speak of a Precise, Engineering Creative Agency.

### **2. Sexual Reproduction ONLY Works When Fully Complete Else the Species Dies Out**

The fact that sexual reproduction occurs in all higher plant and animal forms and requires that the male and female are perfectly formed at the outset else the species would die out immediately -- proves a Creative Agency.

### **3. Precision of DNA**

The precision of DNA and the way DNA strands are carried in the male and female gametes and merge perfectly together to form a new plant, animal or human, clearly speaks of a Creative Agency.

### **4. Where Did the Creator Come From?**

The challenge with believing in Creation lies in the question “*where did the Creator come from?*” By faith and DEEP personal experience I can say that He has always existed and is real.

### **5. Belief in Nature**

Belief in “Nature” and other agencies as being responsible for the Universe, Plants, Animals and Humans ascribes Creative ability and intelligence to “Nature” which ultimately faces the same problem of “where did “Nature” come from?”.

### **6. Existence of Spirits**

Widespread belief in Sprits and experience of Spirits evidences that Spirits exist. This speaks to the existence of the Creator as a Spiritual Being. I testify from PERSONAL EXPERIENCE that Spirits Exist.

### **7. People who have had DIRECT EXPERIENCE**

I myself and many others have direct spiritual and physical experience of this Creator who calls Himself “Yah the Eternally Self-Existing” at a level that we have total certainty that He exists and created everything.

Intense intellectual consideration of the world around us must lead to a conclusion that there IS a higher power, a Creative Agency. It is then up to you to decide whether to seek a deep personal relationship with Him or ignore Him. Be aware that if you do not serve the Creator by default you serve the Spirit being that tells you that the Creator does not exist – it is a binary choice – you either believe in the Creator or you serve Satan.

### **3.3. Critical Considerations with Regard to Proof of a Global Flood – Catastrophic Hydraulic and Tectonic Event**

#### **1. South African Gold Mines**

South African Gold Mines operating in metamorphosed sedimentary rock strata up to 5,000 meters below the surface of the earth evidence massive catastrophic hydraulic and tectonic action.

#### **2. 90% Sedimentary (Water Laid) Rocks**

90% of the surface of the Earth above sea level is comprised of massive layers of Sedimentary (water laid) rock evidencing massive hydraulic, that is “Flood”, action.

#### **3. African Erosion Surface**

The African Erosion Surface, a flat plane over thousands of kilometers evidences massive hydraulic cutting action.

#### **4. Massive Igneous Intrusions**

Massive Granite, Basalt, Dolerite and other Igneous intrusions evidence massive Tectonic (Earth Surface) upheaval consistent with a catastrophic global event.

#### **5. Land Forms Across the Planet**

Land forms across the planet speak of massive hydraulic cutting action consistent with massively high speed water drainage.

#### **6. The Kuiper Belt – Source of Water**

The Kuiper Belt at the edge of our Solar System contains numerous chunks of ice big enough submerge the surface of the earth to a depth of several kilometers if melted on the surface of the Earth.

#### **7. Hellas Planitia Crater on Mars Proves Size of Ice Comets**

Hellas Planitia Crater on Mars clearly indicates the impact of an object that disintegrated on impact the size of which, if it were ice, would completely submerge the Earth.

#### **8. Ice-Comet Impact**

The Earth was struck by an Ice-Comet that instantly melted on impact and flooded the Earth to a depth of several kilometers.

#### **9. Knocked Off Axis and Orbit**

The impact knocked the Earth off its vertical axis and out of its circular orbit around the Sun and caused the current tilt and elliptical orbit.

#### **10. Core of the Earth Overheated and Expanded**

The Centre of the Earth overheated and because of the highly fractured surface the core of the Earth expanded resulting in the formation of the continents and draining of water to form the seas.

## **11. Masses of Evidence**

The Earth is full of evidence of this Global Hydraulic and Tectonic event such that there is absolute certainty of the reality of the Flood.

## **3.4. Critical Considerations with Regard to the Current Age**

### **1. Yah is Seeking Anointed Believers to Become Friends**

Yah is seeking Anointed Believers who will become His Friends and form DEEP relationships with Him and rule over the Satanic and Demonic Realm as Spiritual Kings and Queens.

### **2. Satan is in the Pit (Abyss) for 1,000 years**

Satan was sent to the Pit (the Abyss) for 1,000 years on 03 May 2019 and a Junta of seven Demonic Masterminds rule in his place.

### **3. Yahooshua is Waiting for His Enemies to be Made His Footstool**

Yahooshua is seated at the Right Hand of the Almighty WAITING for his enemies to be made his footstool by defeating sin and gaining authority over the Satanic and Demonic Realm such that large numbers of Satanic Messengers {Angels} and Demons are consigned to whatever detention and punishment Yah ordains.

### **4. This is the Most Evil Generation that has Ever Lived – “Good” is Evil**

This is the most Evil Generation that has ever lived, they claim that Good without Yah is Good when it is Evil. The number of people truly serving Yah is very small and they are almost without exception corrupt, defiled and in bondage to the Satanic and Demonic Realm.

### **5. The Blessings of the Last Turning Around are Running Out**

The Blessings resulting from the Turning Arounds of Yahooshua, Mohammed and Martin Luther are rapidly running out of steam and we are fast approaching a spiritual implosion and collapse that will make the Dark Ages look like a Church picnic with epidemic evil, violence, wars, etc.

### **6. Present Prosperity Flows from the Blessings of Yah**

The majority of those in communities with a strong spiritual background with Yah are still prospering because of the Blessings resulting from the above Turnings Around but for the most part they have totally lost sight of Yah and have descended into Liberalism and Atheism.

### **7. We are at a Watershed**

We are at a Watershed, either the Turning Around that was initiated on 3 May 2003, when Satan was sentenced to the Pit for 1,000 years will take hold, grow and endure for the balance of the Millennium and pave the way for Yahooshua to return victorious or it will run out of steam and die out and the Satanic and Demonic Realm will prevail and Satan will return from the Pit to reign on Earth for Eternity and will be an ongoing reproach to Yah forever.

---

## **Section 4: Spiritual Principles**

### **4.1. Critical Considerations with Regard to Sabbath Observance**

#### **1. Saturday**

Yah's Sabbath is the Seventh Day of the Week, which is Saturday. It is NOT Sunday and doing the things below on Sunday counts for nothing with Yah. This is about what you do on Saturday.

#### **2. No Servile Work**

No servile or secular work is permitted. This is NOT a day for "odd jobs", cleaning the house or anything else you can reasonably do on another day.

#### **3. Worship**

I recommend that one should actively worship for a minimum of two hours on the Sabbath.

#### **4. Day of Rest**

Fundamentally this is a day of REST. It is acceptable to sleep or relax and take things easy.

#### **5. Acceptable to Minister**

It is acceptable to Minister on Yah's behalf. I work on my Ministry on the Sabbath as service to others on behalf of Yah.

#### **6. Only Simple Food Preparation**

Elaborate meals, etc are NOT the intention only simple meals with most preparation done the day before are acceptable.

#### **7. Acceptable to Buy Meals**

It is acceptable to go to a Restaurant or to buy take-aways – this is preferable to preparing meals yourself, certainly in terms of the main meal of the day.

#### **8. NO Secular Entertainment**

This is NOT the day to engage in Secular Entertainment be it Sport, Radio, TV, Newspapers, Magazines, Hobbies, etc. This is a day to be devoted to Yah. If you have a problem with this you need to understand that you are NOT going to qualify for a High Throne for Eternity. The points in this section relate to people who have made a high-quality decision to serve Yah NO MATTER what the cost!

## 9. More so on High Sabbaths

The same applies at a more extreme level on the High Sabbaths of the Almighty being Passover (Pesach), Pentecost (Shavuot), the Day of Trumpets (Yom Teruah), the Day of Atonement (Yom Kippur) and the First and Eighth Days of the Feast of Tabernacles (Sukkot). The Day of Atonement is a total, water-only, one day fast from sunset to sunset.

## 4.2. Critical Considerations with Regard to Prayer

Following are headline principles with regard to Prayer, there is much on Prayer on the Website.

### 1. Prayer On Your Knees is Best

On your knees is the best way to pray, initially at least. We hear best on our knees because we humble ourselves that way. Also the best way to hear. As you mature not as necessary.

### 2. Prayers are Petition to the Court of Heaven

Prayer is Petition to the Court of Heaven – do NOT dictate, do NOT prescribe, do NOT tell Father what to do, ASK Him for Guidance, give Him permission to intervene in your life.

### 3. Prayers Can Take Time to Answer or Not at All

Prayers may take time to answer and if foolish or presumptuous may not be answered at all or may be answered by the Satanic and Demonic Realm. That said, pray in Emunah {Faith} without doubting and if you pray in accordance with these guidelines you have a basis to expect answers.

### 4. Prayers Seeking Revelation

Pray prayers seeking revelation of deception, seeking truth, “judge me severely”, etc – seeking Wisdom and Understanding are all absolutely critical!

### 5. Directional Prayers

Pray Directional Prayers seeking guidance – bring people in and out of your life, open and close doors, hear only, see only, think only, speak only, write and covenant only, walk only as led by the Spirit of Yah. Hear or discern and be obedient. Ask to become a Wise Steward, a Good and Faithful Servant, an Overcomer, a Friend.

### 6. Defensive Prayers

Pray Defensive Prayers such as “thank you that your Messengers {Angels} encamp around me to protect me, that no weapon formed against me shall prosper”, etc.

### 7. Prayers with Fasting

Fasting coupled with effective prayer is particularly powerful. I strongly recommend 7 or 9 x three-day water only fasts at weekly intervals as a way of cleaning up your life, sorting out your beliefs, etc.

## **8. Example Prayers**

There are many example prayers in the “*Seven Components of Drawing Close to the Almighty Creator*” on the Website (near the bottom of the menu and also behind the Home page).

## **9. Take Prayer Seriously**

Prayer is something to be taken very seriously, it will frame and define whether you progress with Yah or not!

## **10. Pray In Tongues**

It is possible to pray in an unknown language. Ask Father to give this to you when you undertake a triple immersion or when praying generally. The gift may take time to receive so keep asking until you get it – you will find that you suddenly start praying in a language you do not understand.

## **11. Pray in the Spirit at All Times Without Ceasing**

It is possible for your spirit to pray at all times without ceasing. Ask Father for this gift, you may be able to hear yourself praying this way or you may not. Claim this gift whenever you pray regarding the Full Armour of Yah – see the pages on Prayer.

## **4.3. Critical Considerations with Regard to Worship**

### **1. Worship is Making Love to Father**

Worship is making love to Father and should be your constant practice at every possible opportunity, in your car, on public transport, at work, at home. Have recordings on your mobile phone and listen with a headset when necessary. Dedicated, focussed worship at least one session of at least two hours once a week on the Sabbath as a minimum.

### **2. Do NOT Use Pagan Names**

Do NOT use Pagan names like “God” and “The LORD”. Use “Yah”, “Yahooeh”, “Yahweh”, “El”, “Almighty”, etc. More information on the Website. Substitute words when necessary.

### **3. Do NOT Worship Jesus or Yahooshua or Messiah**

Do NOT Worship Jesus or Yahooshua or Messiah or sing about him, he should NOT be mentioned in your worship of the Creator and we are Commanded to ONLY Worship Yah. Substitute words when necessary. See the article on “*Seven Components of Drawing Close to the Almighty Creator*” on the Website main menu. Songs on the Website have had references to Jesus removed.

### **4. Sing Songs of Adoration**

Sing songs of adoration, intimate songs where you tell Him how much you Love Him, esteem Him, reverence Him, desire to be close to Him.

### **5. Sing Songs of Praise**

Sing songs of Praise where you extravagantly declare your love, commitment and esteem for Him.

## **6. Seek Fresh Infilling with the Spirit of Yah**

Seek fresh infilling with His Spirit by singings songs that speak of this such as “Set-Apart {Holy} Spirit you are Welcome in this Place”. Seek the Fire of His Spirit.

## **7. Seek His Guidance and Cleansing**

Seek His guidance and cleansing with songs such as “purify my heart”, sung as a prayer.

## **8. Music Without Words is Meaningless**

Music without words is meaningless and should be avoided. The words MUST have deep meaning or else the song or music is of NO value to your walk as an Anointed Believer.

## **9. Play Worship Songs Non-Stop**

Play worship songs non-stop in your home even when you are not at home. Play them on low volume or through a headset when you are sleeping so that He is blessed even if you are not listening. Make yourself a Temple to Yah.

# **4.4. Critical Considerations with Regard to This Life**

## **1. Yah Desires to be Involved in EVERY Area of Life**

Yah desires to be involved in EVERY area of our lives, our Ministry, our Commercial Endeavours / Work, our Relationships, etc. Once we are filled with His Spirit He is willing to guide us in every facet and He DEEPLY desires a DEEP Personal Relationship with each one of us.

## **2. Every Believer has a Responsibility to Advance the Kingdom of Yah**

Every Believer has a responsibility to Yah to devote a portion of their everyday lives to advancing the interests of Yah on Earth. Yah will help us to do this.

## **3. Every Believer has a Responsibility to Grow in Relationship with Yah**

Every Believer has a responsibility to Yah to devote a portion of their everyday lives to worship, prayer, fasting and generally advancing their relationship with Yah. Yah will help us to do this.

## **4. We have Employment to Enable us to Financially Support the Above**

We have employment, whether as employees or business owners in order to enable us to financially support ourselves in order that we can perform (2) and (3). Yah will help us to do this.

## **5. Yah Desires Men and Women to be In Covenant**

Yah desires for all Believing Men to be in a Covenant Relationship with one or more Believing women and for as many Believing Women as possible to be in Covenant with a Believing man recognizing that they are seven times as many Believing women as Believing men on Earth today so that the vast majority of Believing women must remain without a man. Women may covenant with other women.

## **6. The Fundamental Objective of Believers is to Lead Others to Deep Relationship with Yah**

The Fundamental Objective of every Believer on Earth today is to:

- a. Have a DEEP personal relationship with Yah;
- b. Live victoriously above sin and thereby gain authority over the Satanic and Demonic Realm and bring them into subjection to Yah and Yahooshua;
- c. Spread the word that Yah wants a DEEP Personal Relationship with EVERY human being alive today.

## **7. Long Term Compliance Leads to Financial Wellbeing**

IF we do ALL the above we will ultimately reach a point where WE are able to prosper and enjoy the material benefits of Life on Earth WITHOUT getting distracted and corrupted by them.

## **4.5. Critical Considerations with Regard to Seek TRUTH NOT Error**

Refer to the article "Seek Truth NOT Error" on the Website menu.

### **1. 6,000 Years Learning ALL Error and Wickedness**

Mankind has spent six thousand years learning all there is to learn about evil and error such that this is the most evil generation that has ever lived. We have "good" masquerading as a false surrogate for obedience and commitment to Yah.

### **2. Only One Human with Zero Sin and Zero Error**

There has only ever been ONE human being who has never sinned and who had zero error, that is Yahooshua the Anointed of Yah {Jesus-Christ} who lived and died 2,000 years ago.

### **3. Only One Being with ALL Sin and ALL Error**

There is only one being with ALL Error and ALL Sin, that is Satan. All the rest of those who follow him have some limited level of truth.

### **4. Do NOT be Surprised by Sin and Error**

So, since ALL Human Beings have error there is no reason to be surprised when you encounter it. Seek the Truth amongst the error, learn what there is to learn and then move on to meet others with truth you lack.

### **5. Focus on Truth**

In living life focus on truth, do NOT focus on error. It is easy to get offended and thus side-tracked by the error or sin or whatever one PERCEIVES to be error and sin and completely lose sight of the good and truth that a person has.

## **6. Do NOT Talk About or Publish About Error**

Do NOT talk or publish about error. Talk and publish about truths. If you encounter error or sin in someone do NOT trumpet it around and draw attention to it.

## **7. The ETI Website Seeks to Comply with the Above**

The End Time Issue Ministries Website at [www.EndTimeIssueMinistries.org](http://www.EndTimeIssueMinistries.org) seeks to operate according to these principles and I believe that much of the content is truth although there is certainly error in some of the older articles in particular. There may be error in recent articles that I do not know is error.

## **4.6. Critical Considerations with Regard to Judgment in THIS Life**

Refer to the article “Judgment in THIS Life” on the Website main menu.

### **1. An Integral Part of Life as a Believer**

Judgment in THIS Life is an integral part of being an Anointed Believer in this life. If you sin you WILL be judged, whether in this life or the life to come. The Biblical history of humans on Earth is full of accounts of Judgment in this Life. It is vital to understand this.

### **2. Either Your Doing or Judgment**

If things go wrong in your life it is either a consequence of your own failings, foolishness, recklessness, laziness, etc OR it is a consequence of Judgment.

### **3. Satanic and Demonic Seek Who the MAY Devour**

The Satanic and Demonic Realm seek who they MAY devour. We have to do something such that they can get PERMISSION to attack us. They cannot touch us without first getting permission from Yah in the Court of Heaven.

### **4. Yahooshua is our Advocate**

Yahooshua is our Advocate because there IS a Court and we need someone to argue in our defense. Yahooshua operates primarily in defense of young Believers asking for Mercy and Grace and mitigation of sentence. If you are mature there is very little Yahooshua can do to help you.

### **5. The Satanic are the Prosecutors (Accusers)**

The Satanic Realm are the Prosecutors (Accusers). They find evidence of sin and report this up the line to the Accusers in the Court of Heaven who seek a Judgment against the offending human being.

### **6. The Satanic and Demonic Mostly Execute Sentence**

The Satanic and Demonic Realm most often carry out the sentence causing accidents, bringing illness, etc. Yah and His servants may, however, deliver Judgment directly on occasion.

### **7. The Satanic and Demonic Tempt and Trick**

The Satanic and Demonic Realm also tempt us and trick us into error and sin by lying to us, bringing other humans with error into our lives and any number of other devices to lead us into error and sin.

### **8. Refer Job and Ahab as Case Studies**

The story of Job in the Bible (Job chapters 1 to 3) gives a clear example of the process. Ahab in 1 Kings 22:19-24 is another clear example.

### **9. It is Up to YOU to Resist and Overcome**

It is up to YOU to resist sin and temptation, get rid of error and live a life about sin and therefore free of Judgment.

---

## **Section 5: The Anointed Life**

### **5.1. Critical Elements of the Anointed Life**

#### **1. Anointed Believer**

If you have at some stage prayed to receive the Set-Apart Spirit or have had the Spirit imparted through the Laying-on-of-Hands or through immersion, then you ARE an “Anointed Believer” and a “Christ” and a “Saint” to apply commonly used words.

#### **2. Led by the Spirit of Yah**

The “Anointed Life” is about living and being LED at some level by the Spirit of the Almighty indwelling you. The extent to which this happens is a function of how much you are filled with Fathers Spirit and HOW MUCH EFFORT you make to be so led.

#### **3. Effective Cleansing is Important**

Effective cleansing and preparation as set out in the section on cleansing is HIGHLY desirable in order to craft a strong foundation for the Anointed Life. Refer to the document “*Seven Components in Drawing Close to the Almighty Creator*” on the Website.

#### **4. Appropriate Prayer is Essential**

Appropriate Prayer asking for in-filling with the Spirit on a daily basis is really important as are daily prayers for guidance, direction, etc.

#### **5. Appropriate Worship is Essential**

Appropriate Worship is essential to being really effective as an Anointed One. There are recommended songs on the Website on the main menu. They must be a mixture of Adoration (love making), Praise, petition for guidance and affirmation of commitment.

#### **6. Restructure Your Life**

In order to TRULY serve Father Yah as an Anointed One it is essential to significantly restructure your life so that He is the central focus and all that you do is to please Him and serve Him such that your secular activities are restricted to what is necessary to enable you to make an adequate living and have the time to serve Him.

#### **7. Drastically Curtail Secular Activities**

IF you are TRULY committed then you will drastically curtail and quite possibly cut out altogether sports, dancing, partying, spectator sports, secular Radio, secular TV, secular Newspapers, secular books, etc. You will limit yourself to the minimum needed for your basic functioning recognizing that

IF you are truly Spirit Led Father will ensure that you receive the information that you need that is REALLY important.

### **8. Goal Should be a High Throne**

IF you REALLY take this seriously then your life goal should be a High Throne for Eternity as a Friend.

## **5.2. Seven Critical Components of Drawing Close to the Almighty Creator**

The Third Article above Relates to the Fact that “The Creator Desires a Deep Personal Relationship with YOU”. This article addresses the measures you can take to draw close to the Almighty Creator, starting NOW! Read this as an introduction to the very detailed discussion at <https://www.eti-ministries.org/seven-components-of-drawing-close>

These steps apply whether you have previously believed or whether you have now chosen to believe for the first time – the emphasis will vary depending on where you are coming from.

The seven steps are:

### **1. Decision**

Decide that the Creator exists and decide to seek a deep personal relationship with Him or, IF you already believe He exists, chose to seek a much DEEPER personal relationship with Him;

### **2. Prayer**

Pray a range of prayers intended to enable you to get MUCH closer to the Creator and be led by Him in every possible way, prayers like “show me the level of my present deception and how to correct it” – prayers that are intended to enable you to walk directly with the Creator and NOT rely on other human beings;

### **3. Fasting**

It is NOT possible to get really close to the Almighty without fasting, the detailed article contains basic guidelines on what to do and what to pray;

### **4. Cleansing**

This earth is controlled by the Satanic Realm and Demons, when one first comes to the Almighty one is highly contaminated. The abovementioned article discusses at length what is required to get to a place where you can draw close to the Almighty and hear Him clearly;

### **5. Worship**

Worship is vital in drawing close to the Almighty, a selection of highly effective worship songs that will help you on your journey is offered in the abovementioned article – see also <https://www.eti-ministries.org/recommended-worship-songs>;

## 6. Research

You are unique, your needs are unique, the value you can add to the Creator is unique, you need to investigate Him and His Kingdom for yourself and work with Him to craft your unique position in His service;

## 7. Action

Having done all the above it is now time for you to step out with the Almighty Creator and start being of service to Him and developing that deep personal relationship that you have chosen to pursue.

Each of these steps are discussed in detail in the abovementioned article. Growing close to the Almighty Creator is an iterative and progressive process of all of these points as you deal with your sin and come to a place of hearing Him more clearly and understanding Him and His goals for your life.

## 5.3. Critical Considerations in Being Led by Father Yah the Almighty Creator

### 1. Father Yah WANTS to Lead You

Believe that Father Yah WANTS to Lead you and WILL lead you IF you ALLOW Him.

### 2. Quality Decision

Take a QUALITY Decision to let Father Yah lead you.

### 3. Ask Father Yah to Lead You

Ask Father Yah to Lead you, pray *“Father, teach me to be led by Your Spirit every second of every day in every possible way”*.

### 4. Fast and Pray

Fast and Pray to learn how to be led by Father’s Spirit, see the article *“Seven Components of Drawing Clear to the Almighty Creator”* on the Website.

### 5. Noticing – Listening

Start noticing – listening – He may speak to you audibly or in your heart – be attuned and IF you think He has spoken ACT in Emunah {Faith+} or if you are NOT sure then ask for confirmation.

### 6. Noticing – Sensing

Start noticing and sensing – He may give you an impression that you should do something or say something, it may just well up inside you with NO audible voice. Be alert, and IF you think He is giving guidance Act in Emunah or if you are not sure then ask for confirmation.

### 7. JUST DO IT!

If in doubt just DO IT! He understands your challenges and will forgive you IF you miss it. Just step out in Emunah and check-in with Him constantly.

## **8. It WILL Take Time**

It WILL take time but IF you keep at it it is possible to reach a point where you are led constantly and unconsciously at ALL times. This requires diligence, persistence, commitment and Emunah!

## **5.4. Critical Considerations in Hearing Father Yah the Almighty Creator**

### **1. Father Yah WANTS to Speak to You**

Believe that Father Yah WANTS to Speak to YOU and WILL speak to you IF you ALLOW Him. In fact, He EARNESTLY DESIRES to speak to you.

### **2. He Desires to Speak to You RIGHT NOW!**

Yah WILL speak to you RIGHT NOW IF you ALLOW Him to. He Created us to be His Friends. The ONLY reason you cannot hear Him right now is because you have not trained yourself to hear Him and are probably contaminated with Demons and wrong beliefs.

### **3. Cleansing and Fasting**

Follow the Cleansing Process with Fasting set out in the document *“Seven Components in Drawing Close to the Almighty Creator”* on the Website.

### **4. Still Small Voice**

Generally Yah speaks with a “still small voice” – you need to learn to hear Him and you need to get rid of as much noise as possible as per the previous point. Then listen attentively.

### **5. Answer Him**

If you think that Yah has spoken then ANSWER HIM! He is NOT going to keep speaking to you if you do not respond, rather answer Him and be mistaken than NOT answer Him. If necessary ask for Confirmation.

### **6. ACT**

If you think He has told you to do something then ACT, DO IT! It is better to act and miss it than to be disobedient. He will cease speaking to you if you do NOT do what He asks you to do. Note that He may ask you to do things that are radically unconventional in terms of your current world-view. Even then JUST DO IT!

### **7. Get on Your Knees**

On your knees is the best position to hear Yah, particularly when you are just learning. By humbling yourself you hear more clearly. I still get on my knees just about every evening before I get into bed in order to put myself in a position to hear if there is something that He wants to say to me that I have not been hearing.

## **8. Ongoing Conversation**

It is ENTIRELY POSSIBLE to reach a point where you can hear Father Yah so clearly that you can engage in unrestricted dialogue. THIS is what He desires with every one of us!

## **Section 6: Marriage**

### **6.1. Critical Considerations with Regard to Marriage**

#### **1. First Time Sex IS Marriage**

Sexual Intercourse with a Virgin, Widow or truly Divorced woman is a Covenant Act and gives rise to a legally binding covenant in the Court of Heaven. Through shedding of the Virgin blood and / or through male ejaculate that contains the elements of blood.

#### **2. Principles of Yah's Plan for Marriage Informs His Plan for Life**

The principles of how marriage is intended to be directly inform how life as a whole is intended to be and how business life is intended to be. The Marriage and Life Teachings and Marriage and Life Strategic Analysis address this in detail see

<https://www.eti-ministries.org/heaven-on-earth-in-marriage>

#### **3. Agreements at Moment of Consummation are Locked Down**

Whatever the agreements and understandings that exist between a man and a woman at the moment of consummation (ejaculation) are locked down in indissoluble contractual terms in the Court of Heaven. In the absence of an agreement then Yah's default terms apply – see <https://www.eti-ministries.org/virgins-covenant-lost>

#### **4. The Man as Head of the Woman**

Unless covenanted otherwise the man is the head of the family unit and the wife is required to submit to him. Submission is a strong act of the will by a strong woman who understands the power of Yah's One-Flesh House. Headship is NOT domination or ownership or any of the other abominations perpetrated by so many men against women.

#### **5. Work as a Family Commercial Enterprise**

It is Father's intention that a man and his woman / women and children should all work together in the family Business / Enterprise and Ministry and prosper together.

#### **6. Making Love Builds the One-Flesh Bond**

The more that a man and woman make love passionately, considerately and tenderly the stronger the One-Flesh Bond and the more powerful they become as a spiritual entity on Earth whether in Yah's service or in Satan's service.

### **7. Yah Created Sex Within Marriage to be Sacred AND Highly Pleasurable**

Yah created Sex within Marriage to be Sacred AND Highly Pleasurable, there are NO limits on what may be enjoyed sexually within the confines of a righteous covenant relationship. You are intended to enjoy uninhibited, no holds barred, intensely pleasurable love making within your covenant relationship. Only do not cause pain, injury or distress.

### **8. Man Can Covenant with More Than One Woman**

We were created for one man to be able to covenant with more than one woman but most people in Western Society cannot do this successfully. The seal of virginity, the hymen, evidences that men are able to covenant with more than one woman and that women are only intended to covenant with ONE man.

### **9. Powerful, Harmonious Union Required for Victory**

Powerful, harmonious unions will be a vital foundation for building what is required for the present Turning Around to become solid and sustainable.

### **10. The Satanic and Demonic Realm have Broken Down the Fundamentals**

The Satanic and Demonic Realm have broken down the fundamentals of the union between man and woman with the specific objective of greatly weakening the body of True Believers.

## **6.2. Critical Considerations with Regard to Choosing a Marriage Partner**

The following are key considerations when it comes to choosing a Marriage Partner:

### **1. Must be an Anointed Believer**

It is vital that a prospective marriage partner is also a True Anointed Believer. If they are NOT then walk away immediately. They should also be at a similar level of relationship with Yah and the man should preferably be closer than the woman.

### **2. Similar Aspirations**

It is vital that they have similar aspirations to yourself with regards to the Kingdom of Yah and Eternal Destiny. If you aspire to be a Friend of Yah they should do so too, else walk away. It is better to be single than unequally yoked.

### **3. Seven Times More Women than Men**

In the case of a woman seeking a man the man must be at least as close to Father as you are, else walk away. Be aware that there are seven (7) times as many women as men in the Body of True Anointed Believers so as a woman you may WELL NOT find a suitable husband. IF you DO find one then hold onto him. If you are unable to find a man then enter into a lifetime covenant relationship with a woman who is also serving Father.

#### **4. Marriage is a Covenant – a Contract**

Marriage is a Covenant, a Contract. Courting, Dating, long Engagements are OUT if you are serving Father. Discuss your beliefs and aspirations and non-negotiables in depth. If you cannot agree then walk away. If you DO agree, commit in writing, consummate and spend a minimum of seven days together 24/7 building the foundations of your one-flesh house and making love passionately.

#### **5. Default Marriage Conditions**

Consult the Article 2013.10.03 “The Virgin’s Covenant” on the Website main menu for more information and note specifically the default conditions from the Court of Heaven unless you Covenant differently. IF you want to Covenant differently you MUST do this BEFORE you consummate.

#### **6. Yah Intends Sexual Lovemaking to be Intensely Pleasurable**

Yah intends Sexual Lovemaking IN Marriage to be uninhibited, unrestrained, joyful and highly pleasurable. Discuss this BEFORE consummation and if one of you has a radically different view point and you are unable to agree then walk away.

#### **7. Much from this Ministry on Marriage**

There is much from this Ministry relating to the above, see the eBook “The Scriptural Definition of Marriage” in Volume 5 of the Book Set, the “Marriage and Anointed Life” teachings on the Website and also in Volume 10 and the “Strategic Analysis of Marriage and Life” in Volume 11 of the Book Set. The Book Set is available for download off the Website – item near the bottom of the menu.

## **Section 7: Preparing for Death**

### **7.1. Critical Considerations with Regard to Death**

#### **1. Death Should be Welcome for Believers Without Sin**

For the Anointed Believer in Right Standing with Yah Death should have NO fear and be welcomed. It represents an INSTANTANEOUS Translation from Earth to Heaven with a resurrected body and esteem before the Judgment Seat.

#### **2. For Believers with Sin Death Leads to the Torturers First**

For the Anointed Believer with sin in their lives death represents an instantaneous translation to Heaven in front of the Judgment Seat from where they will be consigned to Hell and the Torturers to pay the price for their unconfessed sin.

#### **3. Believers without Anointing End Up in a Low Position**

For Believers who are NOT Anointed they too will come before the Judgment Seat and consigned to the torturers finally to be assigned a low level position in Heaven.

#### **4. Most Believers Face the Outer Darkness – the Trash Heap**

For those who once believed and then did nothing, they have much to fear. Once they have paid the price for their massive unrepented sin they will be consigned to the Outer Darkness with weeping and wailing and gnashing of teeth .

#### **5. For Illuminated Unbelievers there is Esteem in the Satanic Realm on Death**

For the heavily Illuminated Satan Servants, Satanists, Witches, etc death will open the door for significant esteem in the Satanic and Demonic Realm although they will almost certainly be disappointed to discover how many Demons are senior to them.

#### **6. More Junior Satan Servants Face Serfdom and Oppression**

For more junior Satan Servants death will open the door to a role of menial serfdom and oppression.

#### **7. “Good” Unbelievers Face a Huge Shock**

For the run of the mill “good” Unbeliever, the Vast Majority of the Earth’s Population, they will get a terrible shock when they discover that Yah is real, Heaven is real and they are banished to a lonely existence as “good” Demons with no rights and at best ignored and at worst put to work misleading their descendants and loved ones!

## **7.2. Critical Considerations with Regard to Believers Resisting Death**

### **1. Frailty, Illness and Lack**

Many times Believers live out the last few years of their lives in frailty, illness, lack and discomfort. They may try not to impose on other family members and friends and their last days are miserable. There is NO reason for a True Believer in Right Standing with Yah to do this.

### **2. If Free of Sin there is NO Reason to Delay Death**

For an Anointed Believer who is free of sin there is NO reason to delay death past the point where they decide they are ready to leave and agree this with Yah. This requires that they complete their work on Earth but they can be vibrant to the very last minute.

### **3. When Free of Sin the Translation is Instantaneous**

For an Anointed True Believer who is free of sin death involves an instantaneous translation from their Earthly body to the Throne Room in Heaven where they go through a process of induction where their lives are reviewed and they receive their reward.

### **4. Facing Hell Before Heaven**

Many Believers fear death because they know at some level that their lives are NOT right and that they will face lengthy punishment in Hell BEFORE they are admitted to Heaven. This is unnecessary, Yahooshua provided a simple mechanism for us to repent of our sin and receive forgiveness -- rehearsing the Covenant with Bread and Wine {Communion} coupled with heartfelt repentance and turning from the sin.

### **5. Torment and Suffering on Earth in Lieu of Time in Hell**

Some believers experience torment and suffering in the last years of their lives because of unconfessed sin that they do NOT acknowledge and deal with. In such cases Yah may, in His Mercy, judge them and punish them in this life so that they do NOT need to go to Hell before entering Heaven provided that they are still required to repent.

### **6. No Reason to Suffer or Eke Out Last Years**

If one understands the above and goes all out to serve Yah and deal with sin and error there is NO reason to suffer or eke out the last few years of ones life. Yah wants us to leave VICTORIOUSLY having conquered sin and error through working closely with Him. Of course, if the person concerned is a lukewarm believer much of the positive side of things listed in this article do NOT apply.

### **7. This is for Believers ONLY**

None of the above applies to unbelievers. They face a totally different outcome when they die and return instantly as Ancestor Spirits (Demons) for an extremely unpleasant experience for the rest of the Millennium (till about 3003) so they have GOOD REASON to fear death.

## 7.3. Your Options on Facing Death

In looking ahead to the day of your death there are a number of courses of action one of which you have at this moment in time chosen by default. This is directed by whether or not you believe in the Almighty Creator whose true Name is “Yah the Eternally Self-Existing” and how much effort you have put in to the course of action that you have adopted up to this point.

The options with regard to where you will end up if you were to die at this instant are as follows (counts as at 25 December 2015):

### 1. A Throne in Heaven (around 20 people in this generation)

The highest ideal is a Throne in Heaven as an Overcomer or Friend. You will need to be victorious over sin and the Satanic and Demonic Realm and have proved yourself for at least a few years. Significant effort required and NOT something you can choose on your Death Bed. There are many vacancies. Minimum time to qualify about two years.

### 2. Senior Position in the Satanic and Demonic Realm (also around 20 people)

Senior Position in the Satanic and Demonic Hierarchy. You will need to have been extremely evil for many years, executed many human sacrifices, drunk much human blood and even then you are unlikely to achieve more than a mid-level rank. There is massive competition and the high ranks were taken around 5,000 years ago. You likely do not qualify.

### 3. The Main Body of True Believers – Still Esteemed (about 205,000)

The main body of True Believers in Heaven, Glorious, Esteemed, Powerful but NOT on a Throne – Wise Stewards and Good and Faithful Servants. You will need to have made a real effort to serve the Almighty in this life. Plenty of Vacancies. Robust repentance and turning around could see you at the outer fringes of the Wise Stewards very quickly – possibly even on your Death Bed. See the prayers that follow.

### 4. Believers Who Have Seriously Under-Performed (about 2,500,000)

Believers who have seriously under performed – Adulterous Wives and Foolish Virgins. Includes many Church / Mosque / Synagogue / Other Assembly goers. You would NOT want to go here by choice, there is so much more available. In Heaven and still Glorious by Human Standards but not the best. Need a moderate level of service over several years to be fairly high in these ranks– **but the prayers below could promote you to entry level Wise Steward instantaneously no matter where you are.**

### 5. General Satan Servant (about 22,500,000)

General Satan Servant – still some modicum of Rank and Authority as a Junior Officebearer. Actively practiced evil at some level of conscious awareness. You will need several years of evil service. No shortcut here.

### 6. The Outer Darkness in Heaven – Unbelieving Believer (about 20 million)

The Outer Darkness in Heaven – Weeping and Wailing and Gnashing of Teeth where the majority of those who believed at some point but have subsequently done nothing about it will end up – a pretty horrible place to be but very easy to qualify.

## **7. Common Ancestor Spirit (over 6.8 billion – the vast majority)**

A Common Ancestor Spirit (Demon). One of billions of people who die in unbelief. Includes about 100 million believing unbelievers -- go to Church / Mosque / Synagogue / Other Assembly but never actually deeply believed in the Almighty Creator. **A human spirit with NO motive power subject to draconian and harsh rule – angry that you have been lied to and unable to warn your family and friends of their error on pain of the most vile and terrifying torture.**

### **Conclusion**

If you choose to believe, RIGHT NOW, you could progress rapidly through the ranks in the Kingdom of Yah and qualify for an elevated position within years. You can qualify for an entry level position as a Wise Steward simply by sincerely repenting and praying the prayers set out below. The website [www.End-Time-Issue-Ministries.or](http://www.End-Time-Issue-Ministries.or) has all the information you need.

## **7.4. Your Options on Death if You are an Unbeliever (over 6.9 billion people today)**

If you have never believed, even if you go to Church / Mosque / Synagogue / Other Assembly but have NO deep settled conviction of the existence of the Almighty you will end up here:

### **1. Drowned at Sea**

In the extreme case that you are drowned at sea your body will either be stuck to the location where your corpse sank and rotted or be transferred to a Shark or other predator that ate you. Comparable fate if you are killed in a landslide, etc. Anything where your spirit is not readily accessible.

### **2. Buried with your Corpse**

Buried with your Corpse unless you managed to transfer onto a living human before your corpse was buried – but you would not have known you needed to transfer!

### **3. Stranded in a Furnace**

Stranded in a Cremation Furnace unless you managed to transfer onto a living human being before your corpse was burned – but you would not have known you needed to transfer!

### **4. Transferred to a Family Member or Friend**

Transferred onto a Family Member or Mourner by accident but you would not have known that you needed to do that. Forced to lead them into more error and sin.

### **5. Enlisted into the Demonic Army**

Taken into custody by a Satan Servant – Witch, Witchdoctor, Satanist, etc operating as a Nurse, Undertaker, etc. Subject to harsh training and discipline in a military style hierarchy – the Army of Satan. Deployed to lead living human beings into increasing sin and error.

## 6. A Harsh and Cruel Command Structure

Understand that the Satanic and Demonic Hierarchy are harsh and cruel task masters who will not hesitate to torture you viciously if you attempt to warn those you left behind of their fate and try and turn them around.

## 7. OR accept the Salvation of the Almighty Creator

OR you could choose to recognize that the Creative Engineering evidence of the existence of the Almighty Creator is all around you (see also the Brochure or Webpage on “Why YOU Should Believe” for more information. Then choose to believe and pray right now *“Father Yah, Almighty Creator of the Heavens and the Earth, I recognize that I have lived my life in gross error and deception, I ask you now to forgive all my sins and I ask you to come and dwell in me and lead me into a new life of service to you. Please help me to walk faithfully with you for the rest of my life”*. Turn to the website [www.End-Time-Issue-Ministries.org](http://www.End-Time-Issue-Ministries.org) for detailed information on serving the Creator.

## 7.5. Why is this World such a Mess?

Inevitably when one speaks of a kind, loving, Almighty Creator, Father the question arises “Then why is this world such a mess and so evil?” The answer is as follows:

### 1. The Almighty Creator was Lonely

In the beginning the Almighty was lonely and wanted intelligent company. So He set about creating first the Universe, then Solar Systems, then Planets and finally Planet Earth. All of this was designed to accommodate the highly intelligent Human Beings that the Almighty planned to Create.

### 2. Exploratory, Investigative, aka Evolutionary Process

This took place over millions of years in an exploratory, investigative manner, a process that could be described as “evolution”. Many experiments failed to deliver the required outcome and were discarded, so there are many planets broadly suitable for life created before our Earth for example.

### 3. Created Messengers {~~Angels~~}

During this process the Almighty created “Messengers” {~~Angels~~} to assist with the detailed work and to serve the Human Beings that He was planning to Create.

### 4. Rebellion

One of the three leading Messengers {Archangels}, Hillel, had a manufacturing defect and developed pride and rebelled.

### 5. Challenge – “The Contest”

Just as the Almighty was about to discard Hillel and his followers into the Lake of Fire and Brimstone, the Second death, to be utterly destroyed, Hillel challenged Him saying that if he were given 7,000 years on Earth with the Human Beings that Yah was about to create not one of these Humans would be in right standing with the Almighty at the end of the 7,000 years, they would all be in submission to Hillel. If this happened Hillel demanded to be allowed to rule on Earth for Eternity.

## **6. Challenge Accepted – “Rules of Engagement”**

To His everlasting regret Yah (The Almighty) accepted the challenge and they agreed to “The Contest” and the “Rules of Engagement”. Satan, the Accuser or Adversary, as he now was, together with the Billions of Messengers under his command were banished to Earth.

## **7. Satan has been much more successful than expected**

Satan has been far more successful than Yah imagined and right now he and his cohorts are winning the battle “hands down” and running the planet – Satan is the god (Mighty One) of this Earth.

## **Conclusion**

You have an opportunity to turn this around by choosing this day to serve the Almighty energetically and faithfully for the rest of your life and for Eternity. See prayers in the subsequent section.

## **7.6. The Fate of Good Ancestor Spirits (Demons)**

As stated above, the vast majority of “good” Human Beings do NOT believe and therefore will become Ancestor Spirits (Demons). If YOU are such a person, what awaits you?

### **1. On Death – Shown the Lake of Fire and Brimstone**

Immediately you breathe your last breath your spirit will leave your body and you will be taken to the Lake of Fire and Brimstone where it will be explained that this will be your fate if Satan loses the Contest. You will suffer torment and terror when you are cast into the Fire so it is best for you for Satan to win the contest.

### **2. Shown Heaven – told you have believed lies**

You will then be taken to Heaven and given a momentary glimpse of the Throne Room. You will be told that you have been lied to and will NEVER enter Heaven and that there is NO repentance available. You will either be very angry or very distressed.

### **3. Returned to your Body**

You will then be returned to your body where you may remain forever unless a Human Satan Servant (Witch, Witchdoctor, etc) in the form of a Nurse, Undertaker, or other person in contact with corpses harvests you.

### **4. Harvested by a Satan Servant**

Assuming you ARE Harvested, which is the lot of the vast majority of unbelievers, you will be mustered into a particular Satanic Principality or Command such as Lust, Lying, etc based on your strongest sins and given specific tasks. It will be explained to you that if you attempt to disclose the truth to a living Human Being you will be subject to the most terrible torture, you will be given an experience of such torture.

## **5. Deployed onto a Live Human Being to Lead them deeper into Sin and Error**

You will then be deployed on a living Human being with instructions to lead them into increasingly gross sin and away from any hope of Salvation. Initially this will mostly be a family member.

## **6. Poor Performers ignored or harshly punished**

If you are demotivated and a poor performer you may be ignored or you may be subject to harsh punishment in order to motivate you to perform your task more effectively.

## **7. Training Courses for Good Recruits – a Military Structure**

If you make an effort you will periodically be sent on training courses, very much like in any large organization, such as an Army. You will, after all, be in an Army of sorts. As you progress (IF you progress – there is a LOT of competition), you will move to more important Human hosts but you will never progress far because there is massive competition, there are Demons who have been Demons for thousands of years who are embedded in the Hierarchy.

## **Conclusion**

If this outcome fills you with horror, please pray as follows “Father Yah, Almighty Creator of the Heavens and the Earth, I recognize that I have lived my life in gross error and deception, I recognize that right now I face a terrifying future and I ask you now to forgive all my sins and I ask you to come and dwell in me and lead me into a new life of service to you. Please help me to walk faithfully with you for the rest of my life”. Turn to the website [www.End-Time-Issue-Ministries.org](http://www.End-Time-Issue-Ministries.org) for detailed information on serving the Creator.

## **7.7. Preparing for Death**

If you do not like what you have just read you can change your situation RIGHT NOW. The Almighty is merciful and oft forgiving and WANTS you to succeed and be close to Him and in Right Standing with Him:

### **1. If you have NEVER believed**

If you have never believed pray as follows “Father Yah, Almighty Creator of the Heavens and the Earth, I recognize that I have lived my life in gross error and deception, I recognize that right now I face a terrifying future and I ask you now to forgive all my sins. I ask you to come and dwell in me and lead me into a new life of service to you. Please help me to walk faithfully with you for the rest of my life”. There are plenty of vacancies in Heaven at every level!

### **2. Unbelieving Believer**

If you are an Unbelieving Believer one who once believed but has subsequently done nothing and so are destined for the Outer Darkness, then pray “*Father Yah, I confess that I once believed but have subsequently done nothing about it. That is sin, I repent and ask you for forgiveness. I commit now to earnestly seek to know you. Please come and dwell in me and help me to serve you in a way that is pleasing to you*”.

### **3. Traditional Assembly Goer -- Not filled with the Spirit of Yah**

If you are a traditional Church / Mosque / Synagogue / Other Assembly goer and did not know you should invite Father Yah to fill you with His Spirit, then pray *“Father I confess that I have never invited you to dwell in me. I confess that as sin and repent and ask for forgiveness and ask you to come and dwell in me and fill me with your Spirit.”*

### **4. Used wrong names**

If you have believed but called the Almighty by the blasphemous name “The LORD” instead of “Yah the Eternally Self-Existing” or “God” instead of “The Almighty”, then pray *“Father I confess that I have addressed you using Blasphemous Names, I confess this as sin and repent and ask you to forgive me. I ask you to help me lead a life that is pleasing to you.”* There is much on the website relating to the wrong names, etc.

### **5. Worshipped Jesus**

If you have worshipped Jesus and made him equal with the Almighty Creator and now recognize that this is sin pray *“Father I confess that I have worshipped Jesus and that this is gross sin, I confess this as sin and repent and ask you to forgive me. I ask you to help me lead a life that is pleasing to you.”*

### **6. Aspire to a Significant Rank in Heaven**

If you have never realized that there are Ranks In Heaven and now aspire to a Significant Rank (Wise Steward or Good and Faithful Servant) then pray *“Father I was not aware that it was possible for me to qualify for a significant rank in Heaven. I desire such a rank, please help me to attain such a rank.”* Note that you can attain the entry level rank of “Wise Steward”, simply by praying the prayers on this page and then energetically serving Father for the rest of your life. You will have to work more intensively if you desire to reach the upper echelons of this level of rank. **This applies even if you die today, even if you are on your death bed when you pray these prayers.**

### **7. Go ALL OUT and aspire to become an Overcomer or Friend**

If you desire to go ALL OUT and seek to become an Overcomer or a Friend (the highest possible ranks in Heaven), then pray *“Father I was not aware that it was possible for me to qualify for a a really high rank in Heaven. I desire such a rank and desire to become an Overcomer or, if possible, a Friend. Please help me to attain such rank. I now make a deep commitment to seek to qualify for this rank. I choose to lay down my life in service to you for the rest of my days and I ask you to help me.”* You will have to do some hard work on a sustained basis to really draw close to Father Yah and serve Him faithfully. If you apply all that you find to do on the [www.End-Time-Issue-Ministries.org](http://www.End-Time-Issue-Ministries.org) website it is possible that you could become a Friend in a minimum time frame of about two years.

### **Conclusion**

Visit the “Seven Components of Drawing Close”, “Where will YOU Spend Eternity” and “Radio – Summing Up the Message” webpages at [www.End-Time-Issue-Ministries.org](http://www.End-Time-Issue-Ministries.org) Website in order to draw close.

## **Section 8: Reference**

### **8.1. Companion Volumes**

This webpage is a lead in to the collection of 12 Volumes, 15 books which present nearly all my writings since I started serving the Creator in 1993 after He spoke to me audibly.

If you are wanting to really draw close to the Almighty there is a huge amount of learning contained in these books which run to over 7,500 pages on a huge diversity of subjects.

Much of this material was written or recorded under a material anointing and with a material level of leading by the Spirit of Yah and I therefore commend this Book Set to you as a resource that can help you draw closer to the Almighty and better understand what is going on on Earth today.

#### **Essential Elements Flyers**

Having collated the information for the Booklet below I realized I could net down the content to those items that were Essential for a person making a first-time decision to Serve the Almighty to a single A4 sheet with three folds. Similarly I could net down other items for a person who already believed to help them take the first step on the ladder to becoming a Friend of Yah. These two flyers will be distributed together with the Book Set.

#### **Critical Elements of Belief Booklet**

As I was completing the Book Set below I decided to produce a couple of concise one-page bullet point summaries of key aspects of what I advocate. Over a period of two weeks that extended to a list of about 23 such one-page analyses on all the major areas that I hold opinions on that I think are valuable and from Father. These have been assembled into Booklet form and will be distributed together with the Book Set as well as independently.

Collectively the lists in this document provide a concise way for any person to gain an overview of all the major areas of belief that I consider important. This Booklet will be distributed together with the Book Set and provides an entry point for the Book Set listed below.

#### **Volume 0:**

Some key statements of what I believe plus most recent teachings including teachings from the Radio Programme that commenced in October 2018 as well as other recent teachings that were written after the first volumes were finalized. Volume 0 also contains the Tables of Contents of all the Volumes in the Set which will facilitate you finding material of interest. This information is also available on the Website at various levels of accessibility – the Website is fully searchable both with Google Site Search and the Article Search on the Articles Database in the right hand side bar of every page.

I believe that the material in Volume 0 is the most rounded together with what is presented here is the most mature of all the material I have created and therefore I recommend Volume 0 as the place to start if you do not have the interest to read the remaining Volumes.

### **Volume 1:**

Volume 1 contains what I consider to be the most important writings I have originated barring what is contained in Volume 0 which material originated after Volumes 1 to 5 were finalized. Volume 1 includes an Audio Compact Disk of Recommended Worship Songs plus a USB Memory Card containing nearly all articles I have written plus books, audio teachings, videos and the Website. These items are also available on the Website.

There is a lot of important material in Volume 1 – if you do nothing more please read this page plus Volumes 0 and 1.

### **Volume 2:**

All writings between the Day of Atonement 2014 and July 2018. These writings consolidate what I had learned and reported up to 2014 and represents a more mature view of those learnings. There is also a large collection of direct quotes given to me by the Almighty in 2014.

I strongly recommend that you read Volume 2 after reading Volume 1.

### **Volume 3:**

All the Website Header Articles written in 2014 plus recent articles not included in Volumes 1 and 2. The Website Headers cover a very large diversity of topics – about 700 short to medium length articles.

This volume is well worth reading in terms of getting answers to many questions. All of this material is also available on the copy of the Website on the USB Memory Card associated with Volume 1 which you can browse on your computer without an Internet connection. This can also be downloaded off the Website.

### **Volume 4:**

All articles published between the Day of Atonement 2009 and the Day of Atonement 2014. These articles cover a period where my understanding of diverse topics was maturing, particularly adjusting to the Bible NOT being “The Word of God” and Yahooshua {Jesus} NOT being the Almighty in the flesh. Many other topics are addressed.

A useful collection.

### **Volume 5:**

A collection of eBooks never previously formally published on a range of topics. These were written between 1998 and 2000 with one written between 2004 and 2007. Most of these contain words and doctrine that I have since come to understand to be incorrect, however in all cases there is much in the core message that is relevant and sound.

## **Volumes 6 to 9:**

Many of the articles published from around Passover 2000 to the Day of Atonement 2009. These articles trace my journey from being a deeply committed Charismatic Christian with numerous powerful and affirming spiritual experiences and believing that the Bible was “The Word of God” and that Jesus (Yahooshua) was the Almighty in the flesh to recognizing that both of these beliefs were false and that we should worship the Almighty only and turn to much wider sources of information. This also traces my journey from relying significantly on other sources to relying on the Almighty Creator, Yah for almost all my input with regard to areas of teaching. From 2009 onwards almost everything is a culmination of my Journey with Yah and inspired by His Spirit as a material level.

If you are a believer who is really seeking to deeply understand the matters of the Almighty, and particularly if you come from a Christian beginning, you may find this collection of writings useful. Start reading with Volume 9 and then read 8, 7 and 6.

I also came to deeply understand that Islam and Judaism are belief sets that are EQUALLY valid to the Almighty and that Christianity is NOT the defining belief set. I now adhere to a set of beliefs that are effectively an interpolation between Christianity, Judaism and Islam.

These articles also trace the Prophetic shifts in the spiritual dispensation during this period including Satan being sentenced to 1,000 years in the Pit in 2003 and the shifts that have followed.

### **Volume 6**

Writings in 2005 through to the Day of Atonement 2009. During this period I concentrated on secular activities at the expense of the Ministry and much of what I posted took the form of articles from other sources. During this period I was in a covenant relationship with a woman that was also not supportive of the Ministry. This was also a period of consolidation with regard to my revised understanding of key principles as outlined above.

### **Volume 7**

Writings in 2003 and 2004. A time of some personal turmoil and struggle. Also consolidating what I had learned in the years before this. In May 2003 I convened the Court of Heaven to Judge Satan and have him sentenced to isolation in the Pit (Abyss) for 1,000 years.

### **Volume 8**

Writings in 2002. A period of intense learning and consolidation.

### **Volume 9**

Writings in 2000 and 2001. A period of intense learning. During this period I was learning a lot about the errors of the Christian faith and correcting my learning in those areas. I was also developing my understanding of the way that spiritual affairs operate. In particular I learned about the True Names, Yah and Yahooshua, learned about the True Sabbaths, learned that Yahooshua was NOT Yah and that the Bible was just a book containing fragments of manuscripts of various levels of accuracy and NOT “The Word of God”.

I also learned that the Quran was more inspired than the Bible and that Islam was based on service to the Almighty, Allah being simply the Arabic word for “Elohim” in Hebrew, “Almighty” in English.

This was all preparation for sending Satan to the Pit in May 2003.

### **Volume 10:**

Transcripts of a series of over 50 audio teachings on Marriage and the Anointed Life and the Almighty's plan for Marriage and Life to be "Heaven on Earth" recorded in the second part of 2000.

Also a series of prophetic messages that provide the lead-in to what is happening in the Spirit realm today. The teachings are also available as audio tracks on the USB Memory Card accompanying Volume 1 and are also available on the Website.

These teachings, which run to over 1,100 pages have been recently transcribed but I do not have the time and resources to Proof Read them, accordingly they are presented in draft format. Father has, nonetheless stressed to me that they are an extremely important collection of teachings when it comes to understanding the Anointed Life and Marriage.

### **Volume 11:**

Strategic Analysis of Life and Marriage. This was undertaken using a Spreadsheet based Strategic Analysis method given to me by Father for use in my business in the latter part of 2001. This provides a highly structured analysis of life and marriage in a way that is directed at enabling us to formulate the best overall approach to a successful life on Earth of which marriage is one of the key components.

I hope that you will find the material in these Volumes of value and that it will help you to grow in your relationship with Father. You should find answers to many questions in these volumes and on the Website. The full collection of books and individual books can be downloaded from

## The Almighty Creator Desires a DEEP Personal Relationship with YOU!

### **Critical Elements of Belief Fundamental Knowledge to Strengthen Your Journey With the Almighty Creator**

by Dr James A Robertson

Following a dramatic encounter with the Almighty in 1993 in which the Almighty spoke audibly to him, James Robertson set himself to seeking the Almighty and serving Him with strong focus by applying all the disciplines of his Engineering training to ensure a rigorous relationship and line of inquiry.

By 1999 James had realized that there was massive error in the formal Christian Church and the Almighty told him to come out of the church.

In 2000, following a series of fasts, associated with prayers like *"lead me into ALL truth by Your Spirit"*, *"show me the level of my present deception and how to correct it"* and *"judge me severely and correct me harshly so I may serve you more perfectly"* James started to receive a stream of revelation and discovery about truths that were not widely known and started to publish what he learned by email to a small list of people.

Over the years, with more fasting, more praying and more seeking, James started to progressively get direct revelation from the Almighty relating to matters that were not known on Earth at this time. He continued to publish by email and more recently also on a website.

As a culmination of this search in 2013 the Almighty said to James regarding an unbelieving friend *"why would I want someone to spend eternity with me when they do NOT believe I exist?"*

Subsequently the Almighty said to James regarding believers generally *"why would I want someone to be close to me in Heaven, which inherently means I will give them great authority, if they do NOT have a deep personal relationship with me and have NOT proven to me that they can be trusted on Earth?"*

Some years before this point James became intensely aware that Father Yah (the true name of the Creator) was extremely lonely and had very few true friends where a friend is someone who does NOT demand things from the Almighty but who seeks to bring joy to their Father in Heaven.

As a consequence of these revelations in 2014 James published an article *"The Almighty Creator Desires a Deep Personal Relationship with YOU"* and *"Seven Components of Drawing Close to the Almighty Creator"*.

James regards these two articles as the most important messages there are regarding the Almighty and they form the core of Volume 1 of this book together with an article on *"Where will YOU Spend Eternity"* and a series of other supporting articles including a summary of the REAL History of the Earth and a detailed discussion of the Proof of a Global Flood.

This Booklet is the lead-in to a set of twelve volumes, fifteen books, publishing nearly all of James' articles since 1998. Articles and other material are also available on the Website [www.ETI-Ministries.org](http://www.ETI-Ministries.org) which is also contained on the USB Memory Card distributed with Volume 1. The entire Book Set, running to over 7,500 pages, taken together, provides an extremely far reaching analysis of many aspects of what is important in order to draw close to the Almighty Creator – this same information is available on the Website.

This Booklet contains a set of Critical Issues Summaries of the Critical Elements of Belief – bullet point lists of key elements of knowledge across a collection of more than 30 subjects, divided into 7 categories, that cover most facets of what is required to serve the Creator faithfully in this age. These Critical Element lists provide a lead-in to the documents in the twelve Volumes referred to above.
